Private Initiatives In Infrastructure Priorities Incentives And Performance:

Private Initiatives in Infrastructure Sanford V. Berg, Michael G. Pollitt, Masatsugu Tsuji, 2002-01-01 Focuses on concrete examples in specific countries to draw useful lessons for strong performance in telecommunications power water and social infrastructure *The Oxford Handbook of Megaproject Management* Bent Flyvbjerg, 2017-04-13 The Oxford Handbook of Megaproject Management provides state of the art scholarship in the emerging field of megaproject management Megaprojects are large complex projects which typically cost billions of dollars and impact millions of people like building a high speed rail line a megadam a national health or pensions IT system a new wide body aircraft or staging the Olympics The book contains 25 chapters written especially for this volume covering all aspects of megaproject management from front end planning to actual project delivery including how to deal with stakeholders risk finance complexity innovation governance ethics project breakdowns and scale itself Individual chapters cover the history of the field and relevant theory from behavioral economics to lock in and escalation to systems integration and theories of agency and power All geographies are covered from the US to China Europe to Africa South America to Australia as are a wide range of project types from hard infrastructure to soft change projects In depth case studies illustrate salient points The Handbook offers a rigorous research oriented up to date academic view of the discipline based on high quality data and strong theory It will be an indispensable resource for students academics policy makers and practitioners **International Handbook on Mega-Projects** Hugo Priemus, Bert van Wee, 2013-11-29 Providing crucial background information for those who want to understand decision making processes on large transport infrastructure projects this fascinating Handbook will prove an important source of information for academics researchers and students **Handbook on Public-Private Partnerships in International Infrastructure Development** Stewart R. Clegg, Yongjian Ke, Ganesh Devkar, Vince Mangioni, Shankar Sankaran, 2024-10-03 This Handbook systematically compares public private partnerships PPPs from across the globe to examine factors that have contributed to their success or failure The editors have brought together an international range of experts to produce richly detailed accounts of the various ways in which PPPs are conducted **The Oxford Handbook of Regulation** Robert Baldwin, Martin Cave, Martin Lodge, 2012-07-19 Regulation is often thought of as an activity that restricts behaviour and prevents the occurrence of certain undesirable activities but the influence of regulation can also be enabling or facilitative as when a market could potentially be chaotic if uncontrolled This Handbook provides a clear and authoritative discussion of the major trends and issues in regulation over the last thirty years together with an outline of prospective developments It brings together contributions from leading scholars from a range of disciplines and countries Each chapter offers a broad overview of key current issues and provides an analysis of different perspectives on those issues Experiences in different jurisdictions and insights from various disciplines are drawn upon and particular attention is paid to the challenges that are encountered when specific approaches are applied in practice Contributors develop their own distinctive arguments relating to the central

issues in regulation and apply scholarly rigour and clear writing to matters of high policy relevance The essays are original accessible and agenda setting and the Handbook will be essential reading both to students and researchers and to with regulatory and regulated professionals *Public Private Partnerships* Sara Valaguzza, Eduardo Parisi, 2020-01-31 This insightful book critically examines the phenomenon of public private partnerships through a global theoretical lens It considers the reasons for merging private entities and public administration as well as the processes and consequences of doing so The benefits for the community as well as the radical changes in the principles and modalities of administrative activity are theorized and discussed *The Challenge of Public-private Partnerships* Graeme A. Hodge, Carsten Greve, 2005-01-01 An lise comparativa sobre parceria p blico privada e contrato de servi o social nos seguintes locais Reino Unido Estados Unidos Su cia Dinamarca Alemanha Austr lia sia **Rethinking Public-Private Partnerships** Carsten Greve, Graeme Hodge, 2013-05-07 The global financial crisis hit the world in a remarkable way in late 2008 Many governments and private sector organizations who had considered Public Private Partnerships PPPs to be their future were forced to rethink their strategy in the wake of the crisis as a lot of the available private funding upon which PPPs relied was suddenly no longer available to the same extent At the same time governments and international organizations like the European Union were striving to make closer partnerships between the public sector and the private sector economy a hallmark for future policy initiatives This book examines PPPs in the context of turbulent times following the global financial crisis GFC PPPs can come in many forms and the book sets out to distinguish between the many alternative views of partnerships a project a policy a symbol of the role of the private sector in a mixed economy or a governance tool all within a particular cultural and historical context This book is about rethinking PPPs in the wake of the financial crisis and aims to give a clearer picture of the kind of conceptual frameworks that researchers might employ to now study PPPs The crisis took much of the glamour out of PPPs but theoretical advances have been made by researchers in a number of areas and this book examines selected new research approaches to the study of PPPs [A Research Agenda for Public-Private Partnerships and the Governance of Infrastructure](#) Hodge, Graeme A., Greve, Carsten, 2022-04-21 This timely Research Agenda examines the ways in which public private partnerships PPPs in infrastructure continue to excite policy makers governments research scholars and critics around the world It analyzes the PPP research journey to date and articulates the lessons learned as a result of the increasing interest in improving infrastructure governance Expert international contributors explore how PPP ideas have spread transferred and transformed and propose a range of future research directions **The Logic of Public-Private Partnerships** Graeme A. Hodge, Carsten Greve, 2019 This book examines Public Private Partnerships PPP and tracks the movement from early technical optimism to the reality of PPP as a phenomenon in the political economy Today s economic turbulence sees many PPP assumptions changed what contracts can achieve who bears the real risks where governments get advice and who invests As the gap between infrastructure needs and available financing widens

governments and businesses both must seek new ways to make contemporary PPP approaches work
