Private Investigators Undercover In Public Space:

In a Queer Country Terry Goldie, 2002-07-01 A groundbreaking collection of fourteen essays on the struggles pleasures and contradictions of queer culture and public life in Canada Versed in queer social history as well as leading edge gay and lesbian studies queer theory and post colonial studies *In a Queer Country* confronts queer culture from various perspectives relevant to international audiences Topics range from the politics of the family and spousal rights to queer black identity from pride parade fashions to lesbian park rangers

Voices Rising Xiaoping Li, 2011-11-01 In the late twentieth century Western multicultural societies wrestled with questions of cultural difference identity and otherness In Canada activists from racialized communities took leading roles in the struggle over Canadian identity *Voices Rising* examines Asian Canadian political and cultural activism around community building identity making racial equity and social justice Informed by a postcolonial and postmodern cultural critique *Voices Rising* traces the trajectory of progressive cultural discourse generated by Asian Canadian cultural activists over the course of several generations Xiaoping Li draws on historical sources and personal testimonies to convincingly demonstrate how culture acts as a means of engagement with the political and social world As an interdisciplinary inquiry addressing topical issues of race ethnicity identity and transculturalism *Voices Rising* will be welcomed by scholars researchers and students in Canadian studies cultural studies ethnic histories postcolonial theory globalization studies diaspora theory and transcultural analysis The general reader interested in Canadian identity and cultural history will also find this book accessible and useful

Settler Attachments and Asian Diasporic Film Beenash Jafri, 2025-03-04 A cinematic study of Asian Indigenous relationality *Settler Attachments and Asian Diasporic Film* is an interdisciplinary examination of the stubborn attachment of Asian diasporas to settler colonial ideals and of the decolonial possibilities Asian diasporic films imagine Beenash Jafri uniquely addresses the complexities of Asian Indigenous relationality through film and visual media urging film scholars to approach their subjects with an eye to the entanglements of race diaspora and Indigeneity Highlighting how Asian diasporic attachments to settler colonialism are structural she explores how they are manifested through melancholic yearning within the figure of the Asian cowboy in films such as *Cowgirl* and *Wild West* and through the aesthetic and representational politics of body and land in experimental films by Shani Mootoo and Vivek Shraya While recognizing the pervasive violence of settler colonialism Jafri maintains a hopeful outlook showcasing how Asian diasporic filmmakers persistently work toward decolonial worldmaking This emerging vision can be seen in the radical friendship between Ali Kazimi and Onondaga artist Jeffrey Thomas in Kazimi's film *Shooting Indians* in the queer relational survivance depicted in films such as *This Place* and *Scarborough* and in the sensory disruptions of Jin me Yoon's interactive art project *Untunnelling Vision* From film and media studies to diaspora studies and critical ethnic studies Indigenous studies to queer theory *Settler Attachments and Asian Diasporic Film* provides a critical framework for engaging cinematic media to understand and imagine beyond the entrenched settler colonial dynamics within Asian diasporic

Creative Subversions Margot Francis, 2011-12-01 Creative Subversions explores how whiteness and Indigeneity are articulated through images of Canadian identity and the contradictory and contested meanings they evoke These benign even kitschy images she argues are haunted by ideas about race masculinity and sexuality that circulated during the formative years of Anglo Canadian nationhood In this richly illustrated book Margot Francis shows how national symbols such as the beaver the railway the wilderness of Banff National Park and ideas about Indianness evoke nostalgic versions of a past that cannot be expelled or assimilated Juxtaposing historical images with material by contemporary artists she investigates how artists are giving these taken for granted symbols new and suggestive meanings

Regulating Undercover Law Enforcement: The Australian Experience Brendon Murphy, 2021-03-05 This book examines the way in which undercover police investigation has come to be regulated in Australia Drawing on documentary and doctrinal legal analysis this book investigates how in the space of a single decade Australian law makers set out to regulate one of the most difficult aspects of police undercover investigation In so doing the Australian experience represents a paradigm model And yet despite its success it is a system of law and practice that has a dark side a model of investigation that relies heavily on activities that are unlawful in the absence of authorisation It is a model that is as much concerned with the surveillance and control of police as it is with suspected criminal conduct The book aims to locate the Australian experience in comparative perspective with other major common law jurisdictions the United Kingdom Canada and New Zealand with a view to contrast strengths similarities and weaknesses of these models It is argued that the Australian model at the pragmatic level offers a highly successful model for regulatory structure and practice providing a significant model for successful regulation At the same time the model that has been introduced raises important questions about how and why the Australian experience evolved in the way that it did and the implications this has for the relationship between citizen and state the judiciary and the executive and broader questions about the protections offered by rights discourse and jurisprudence This book aims to document the law policy and practices that shape undercover investigations In so doing it aims to not only articulate the way in which the law regulates these activities but also to move on to consider some of the fundamental questions linked to undercover investigations how did regulation happen By what means of regulation What are the driving policy issues that give this field of law its particular complexion What are the implications Who gains and who loses by which means of power The book offers unique insights into a largely unknown aspect of modern covert policing identifying a range of practices the legal framework controversies and powers By locating these practices in a rich theoretical context informed by risk and governmentality scholarship this book offers a legal and theoretical explanation of one of the most controversial forms of policing
