

RADIATING CHRIST

Dear Jesus, help us to spread Your fragrance everywhere we go. Flood our souls with Your Spirit and Life. Penetrate and possess our whole being so utterly that our lives may only be a radiance of Yours. Shine through us and be so in us that every soul we come in contact with may feel Your presence in our souls. Let them look up, and see no longer us, but only Jesus! Stay with us and then we shall begin to shine as You shine, so to shine as to be a light to others. The light O Jesus, will be all from You; none of it will be ours. It will be You, shining on others through us. Let us thus praise You in the way You love best, by shining on those around us. Let us preach You without preaching, not by words but by example, by the catching force, the sympathetic influence of what we do, the evident fullness of the love our hearts bear for You.

Amen

The Radiance of God Douglas M. Koskela,2021-09-28 The image of God as light abounds in Scripture and the Christian tradition In *The Radiance of God* Douglas M Koskela explores the theme of divine radiance across the span of Christian doctrine The book develops a constructive account of the Christian gospel that traces the journey from darkness into the marvelous light of God Drawing on an ecumenical range of voices in the tradition Koskela frames the discussion in terms of three central concepts allure movement and joy The image of divine radiance suggests the sheer beauty of God that captivates the attention of God s creatures in wonder love and praise The brilliance of this light initiates a process of movement toward it as the Holy Spirit transforms us in the image of Christ the light of the world The culmination of this journey is inexpressible and unending joy as we are immersed in the divine light By following this threefold pattern through the classic loci of Christian doctrine this volume offers a sustained and coherent treatment of the economy of salvation from creation to consummation
