

RADICAL SOCIAL WORK TODAY

Social work at the crossroads

Radical Social Work

Colin Turbett

Radical Social Work:

Radical Social Work and Practice Mike Brake, Roy Victor Bailey, 1980 **The Road Not Taken** Michael Reisch, Janice Andrews, 2002 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company **The Quest for a Radical Profession** David Wagner, 1990 This book based on in depth interviews of radical social workers who at one time were associated with the Catalyst collective explores through oral history the social psychological effects of upward mobility on political ideology **Social Work and Child Abuse** Dave Merrick, 1996 For professionals caught up in the conundrum of intervening and not being seen as excessively interventionist this book presents a critical analysis of the task of preventing detecting and rectifying situations of child abuse **Radical Social Work** Roy Victor Bailey, Mike Brake, 1975 Contributors analyze the current state of social services and specific ways by which social workers can attempt to change and improve that state while truly helping their clients Doing Radical Social Work Colin Turbett, 2014-01-27 This is the first book to provide social workers with an applicable model for radical practice Through examining the current state of social work in the UK and looking at the radical approaches that have developed over the years this book explores some of the opportunities that exist for a radical social work **The Writings of a Radical Social Worker** Sam Lingayah, 2002 *Radical social work today* Lavalette, Michael, 2011-02-23 Created to celebrate the 35th anniversary of Bailey and Brake s seminal text **Radical Social Work** 1975 this volume seeks to explore the radical tradition within social work and assess its legacy relevance and prospects With a foreword by Roy Bailey the book brings together leading academics within social work in Britain to reflect on the legacy of **Radical Social Work** both the original text and the wider social movement within social work education theory and practice With the current issues facing social work in Britain this book examines the radical tradition to assert that another social work is possible **The Politics of Social Work** Fred W Powell, 2001-05-25 The Politics of Social Work provides a major contribution to debates on the politics of social work at the beginning of the 21st Century It locates social work within wider political and theoretical debates and deals with important issues currently facing social workers and the organisations in which they work By setting the current crisis of identity social workers are experiencing in international context Fred Powell analyses the choices facing social work in postmodern society Fred Powell explores in this text contemporary and historical paradigms of social work from its Victorian origins to the development of reformist practice in the welfare state to radical social work responses to social exclusion the renaissance of civil society multiculturalism feminism and anti oppressive practice In conclusion he examines the options facing social work in the 21st century and argues for a civic model of social work based on the pursuit of social justice in an inclusive society *Radical Social Work Today* Mary Langan, Phil Lee, 1989 This reader bringing together articles by social work practitioners and academics examines the implications of the changes for radical strategies in social work put forward in the 60s and 70s implied by growing poverty and the austere social policies of the New Right in the 1980s *Radical Challenges for Social Work*

Education Jane Fenton, 2022-04-19 This book is full of ideas about how social work education can confront the individualising and often blaming form of social work that neoliberalism ushered in four decades ago Radical social work is an approach to social work that has at its heart the departure from solely behavioural moral or psychological understanding of service users problems Social work had originally been concerned with the moral character of people in trouble usually poor people making a clear division between those who were deserving of help and those who were undeserving The rise of science and the psy disciplines then led to psychological explanations for the difficulties people found themselves in Both explanations for social problems moral and psychological with their narrow focus on the individual have been enjoying a renaissance in recent times with the neoliberal self sufficiency narrative moral and the more recent focus on trauma psychological Radical social work challenges those explanations concerned as it is with the circumstances a person might find themselves in poverty poor housing poor education high crime rates and lack of opportunities of all kinds This book is a step towards resurrecting radical social work principles and it urges us to think about how social work education can be reshaped to that end Radical Challenges for Social Work Education is a significant new contribution to social work practice and theory and will be a great resource for academics researchers and advanced students of Politics Education Social Work Sociology Public Policy Development Studies Anthropology and Human Geography The chapters in this book were originally published as a special issue of the journal Social Work Education

Social Work, Politics and Society Kenneth McLaughlin, 2008-07 Kenneth McLaughlin highlights the need for a new approach to social work that has a more optimistic view of both individuals and society and of their capacity to overcome problems

The SAGE Handbook of Social Work Mel Gray, James Midgley, Stephen A Webb, 2012-06-22 This Handbook is the world's first generic major reference work to provide an authoritative guide to the theory method and values of social work in one volume Drawn from an international field of excellence the contributors each offer a critical analysis of their individual area of expertise The result is this invaluable resource collection that not only reflects upon the condition of social work today but also looks to future developments Split into seven parts the Handbook investigates Policy dimensions Practice Perspectives Values and ethics The context of social work Research Future challenges It is essential reading for all students practitioners researchers and academics engaged in social work

Encyclopedia of Canadian Social Work Francis J. Turner, 2009-07-23 All of us as Canadians are touched throughout our lives by some aspect of social welfare either as recipients donors or taxpayers But despite the importance of the social network in our country there has been no single source of information about this critical component of our society Even professionals in the field of social work or social services have not had a comprehensive volume addressing the myriad features of this critical societal structure The Encyclopedia of Canadian Social Work fills this need Over five hundred topics important to Canadian social work are covered written by a highly diverse group of social workers covering all aspects of the field and all areas of the country Practitioners policy makers academics social advocates researchers students and

administrators present a rich overview of the complexity and diversity of social work and social welfare as it exists in Canada. The principal finding from this project underscores the long held perception that there is a Canadian model of social work that is unique and stands as a useful model to other countries. The Encyclopedia of Canadian Social Work will be an important source of information both to Canadians and to interested groups around the world. The Encyclopedia of Canadian Social Work is available in e book version by subscription or from university and college libraries through the following vendors: Canadian Electronic Library, Ebrary, MyiLibrary and Netlibrary.

Doing Radical Social Work Colin Turbett, 2014-01-27

This is the first book to provide social workers with an applicable model for radical practice. Through examining the current state of social work in the UK and looking at the radical approaches that have developed over the years, this book explores some of the opportunities that exist for a radical social work.

Photovoice Handbook for Social Workers Michele Jarldorn, 2018-07-16

This book provides inspiration for social workers to explore the possibilities of using Photovoice to engage with communities. Built on strong theoretical foundations and grounded in ethical principles, Jarldorn assesses Photovoice as an arts based approach that provides a valuable mechanism for social workers to engage people in participatory action research with the potential to influence policy and public opinion. Positioning Photovoice as a method aligned with feminist and radical social work perspectives, the author draws upon her research project which used Photovoice with former prisoners to demonstrate the transformative potential of participatory methods. Photovoice Handbook for Social Workers is intended to be a useful hands on resource combining the importance of theory and the practicalities of doing action research.

Radical Social Work in Practice Iain Ferguson, Rona Woodward, 2009-05-14 APPROVED BY AUTHOR

Radical social work is a tradition often identified exclusively with the movement which developed in the UK in the 1970s. However, this much needed new textbook, the first student text devoted to radical social work, demonstrates that the relevance of radical approaches to contemporary social work practice have never been stronger. Challenges to a neoliberal approach to social work have been gaining ground academically and with practitioners. This book provides a true vision of the radical tradition and shows how it can be developed in contemporary social work. Using case studies and a problem based learning approach to illustrate the type of dilemmas faced by workers in their day to day practice, the book sets out the ways in which a radical social work approach can inform constructive responses. It emphasises the need to understand the diverse lives of service users, encouraging readers to share experience and knowledge and to discuss past and present events to build confidence in tackling injustice at individual and societal levels. As many social workers are becoming disillusioned and dissatisfied with the bureaucracy and regulation in the profession, this book promotes a practice that is rooted in a commitment to positive change and to social justice that will offer a breath of fresh air to students and practitioners alike.

Social Work in an Unequal World Rajendra Baikady, 2025. Social Work in an Unequal World offers a comprehensive collection of current global perspectives addressing the complex issues arising at the intersection of inequality and social

work The book aims to help social work educators students practitioners and policy makers think critically about the skills and knowledge they need to understand and tackle inequality and provide meaningful help to the people most in need

The New Politics of Social Work Mel Gray, Stephen A. Webb, 2017-09-16 With contributions from those at the forefront of modern social work thought this edited volume reflects the growing eminence of critical social work in the 21st Century Taking a truly global outlook this text advocates the promotion of equality through a range of radical perspectives and provides a blueprint for the future of practice

Trauma-Informed Care in Social Work Education Lea Tufford, Arielle Dylan, 2025-03-28 Structured and informed by social justice orientations this essential volume explores how trauma informed care can be integrated in all aspects of social work education This handbook incorporates a critical and ecologically focused lens with an emphasis on resilience healing and strengths based approaches With contributions from over 60 experts in the field of social work education psychology and counselling this comprehensive book provides current understandings of how trauma manifests in the lived experience of social work students The book begins by introducing why trauma informed care is needed in social work and addresses the reality of historical trauma Each chapter views the social work student at the center of the educational journey and considers how trauma can shape experiences in various settings such as the classroom curriculum field educational policy and community involvement and support services Chapters cover topics such as the neuroscience of trauma poverty disability racism experiential approaches online course delivery climate change mindfulness student mental wellbeing and more This handbook is a must read for social work educators and field instructors who seek to prevent and lessen trauma in their social work pedagogy It is also beneficial for undergraduate and graduate courses such as child and youth care addiction services and foundations of social work
