Index to Educational Audio Tapes National Information Center for Educational Media,1974 Index to Educational Audio Tapes ,1974 The Unreleased Beatles Richie Unterberger,2006 A survey of the significant body of recorded works by the Beatles that were not released includes discussions on an array of live concert performances home demo recordings studio outtakes and more in a chronologically arranged volume that includes coverage of unreleased video footage Original *American Agriculturist* ,1903 **Surviving Through the Days** Herbert W. Luthin,2002-06-26 This unique and original book sets the standard for such volumes I can't see anyone coming along for quite some time who would be able to supersede it or top it for quality and inclusiveness Brian Swann editor of *Coming to Light* It is a masterful treatment of oral literature a wonderful combination of great verbal art and sound scholarship carefully crafted so that the collection begins and ends with a powerful creation tale Leanne Hinton author of *Flutes of Fire* Since each of the contributing specialists has first hand familiarity with the material the translations are of unusual authenticity and the annotations are of unusual insightfulness Luthin's own introductory sections are especially vivid and well informed William Bright author of *A Coyote Reader* *The Heir of Venus* Laura Shepperson,2024-08-06 This feminist retelling of Greek and Roman mythology reimagines the story of Aeneas and the women once left at the fringes of his story perfect for fans of Madeline Miller and Natalie Haynes To the world he's a legend To her he's a liar Lavinia never asked to be fought over But now her childhood sweetheart has waged a war that threatens to destroy everything she holds dear all because Lavinia's father has promised her to somebody else Aeneas Aeneas rumored to be the son of Venus is famed for his bravery cunning and his vision for a new great Empire He is also secretive slippery and Lavinia wonders why he will never discuss the past he left behind So when a stranger arrives in the camp with stories about Aeneas that suggest he is not what he seems Lavinia realizes she has to take her future and that of her people into her own hands With striking prose and an inquisitive eye cast back on mythology *The Heir of Venus* is an impactful and relatable story of a fight for the truth set in the rich world of Greek mythology The Century Dictionary: The Century dictionary ,1911 **The Century Dictionary** ,1914 **Badwater** Clinton McKinzie,2005-04-26 From *The Edge of Justice* to *Crossing the Line* Clinton McKinzie has captivated readers with thrillers that combine heart pounding action with searing human drama and feature a truly unforgettable hero Special Agent Antonio Burns Now McKinzie delivers a new novel filled with his trademarks the thrill of danger the clash between the law and the lawless and the struggles of a family bound by love loyalty and a hunger for adventure Here McKinzie takes us to a stark Wyoming landscape where one tragic moment plunges Antonio Burns into a whirlpool of hate violence and revenge *BADWATER* Antonio Burns is at a crossroads he rarely sees his six month old daughter and his career has spiraled downward from hotshot golden boy to nearly having his badge confiscated And things are about to get even worse When a ten year old boy dies in a drowning incident in Badwater Wyoming the townspeople want the tourist they feel is responsible convicted of murder In an already explosive case Burns

has been forced into working for the prosecution and when a media hungry celebrity lawyer takes over the defense justice turns into a charade Clinging to his sanity by climbing the crags and caverns of a local canyon recovering from the near death of his daredevil brother and his breakup with the mother of his child Antonio tries to turn his back on this situation But he can't He finds one crucial piece of evidence makes one mistake with a woman and then turns to his brother Roberto for help Soon he's all the way in no matter what the cost to his career his life or to the people who still count him as one of their own The spellbinding story of a cop drawn to danger a community steeped in hatred and an explosive mix of opportunists idealists and a few very bad men Badwater is a taut thunderous novel and Clinton McKinzie at his electrifying best

A History of California and an Extended History of Los Angeles James Miller Guinn, 2015-11-13 Few states of the United States have a more varied a more interesting or a more instructive history than California and few have done so little to preserve their history In narrating the story of California the author has endeavored to deal justly with the different eras and episodes of its history to state facts to tell the truth without favoritism or prejudice to give credit where credit is due and censure where it is deserved This accounts also for the prominence of Los Angeles in the second half of this volume The consolidation of Los Angeles city and the cities of Wilmington San Pedro and Hollywood has merged the history of these three into that of the Greater Los Angeles The early history of these cities is given separately up to their consolidation All over this book is a real treasure chest and every single of its more than 400 pages is a must read for the people of California and Los Angeles County
