Ragged Regiment:

Romance of London John Timbs, 1865 *All for the Regiment* Gerald J. Prokopowicz, 2014-03-24 Despite its important role in the early years of the Civil War the Army of the Ohio remains one of the least studied of all Union commands With *All for the Regiment* Gerald Prokopowicz deftly fills this surprising gap He offers an engaging history of the army from its formation in 1861 to its costly triumph at Shiloh and its failure at Perryville in 1862 Prokopowicz shows how the amateur soldiers who formed the Army of the Ohio organized themselves into individual regiments of remarkable strength and cohesion Successive commanders Robert Anderson William T Sherman and Don Carlos Buell all failed to integrate those regiments into an effective organization however The result was a decentralized and elastic army that was easily disrupted and difficult to command but also nearly impossible to destroy in combat Exploring the army's behavior at minor engagements such as Rowlett's Station and Logan's Cross Roads as well as major battles such as Shiloh and Perryville Prokopowicz reveals how its regiment oriented culture prevented the army from experiencing decisive results either complete victory or catastrophic defeat on the battlefield Regimental solidarity was at once the Army of the Ohio's greatest strength he argues and its most dangerous vulnerability *Supernatural stories* John Timbs, 1868 *The Southern Association in Baseball, 1885-1961* Marshall D. Wright, 2024-10-10 Ranking just below the top major and minor leagues in the first half of the twentieth century was another group of quality circuits The Southern Association which was formed in 1901 and had teams in several prominent Southern cities was part of that group In the mid 1930s league directors decided to make the old Southern League which had enjoyed an off and on existence since 1885 part of the Southern Association This work is a complete history of the Southern Association beginning with 1885 the year the Southern League began and ending with 1961 the year it went out of business Each chapter covers one year of the Southern Association's history and contains an essay describing a team player or trend in that particular year and a list of teams in order of winning percentage Details provided for each team include its record winning percentage the number of games it finished behind first place its manager and a list of its known players their positions and statistics The statistics for hitters include games played at bats runs hits RBIs doubles triples home runs walks strikeouts stolen bases and batting average Pitchers are listed separately and listed in order of games won Statistics for pitchers include wins losses winning percentage games played and started complete games shutouts innings pitched hits allowed walks strikeouts and ERAs **A Jovial Crew** Richard Brome, 2014-02-27 *A Jovial Crew* or the Merry Beggars is a comedy about four noble lovers who join the beggar community for a pastoral life of dance and song Or is it Whilst maintaining its unremitting good humour *A Jovial Crew* shows that the literary depiction of beggar life and real beggar life are profoundly different Daily aspects of life in the beggar world poverty dirt licentiousness come as a surprise to the well born who are ultimately led to question their own values The last production mounted before theatres were closed for the English Civil War *A Jovial Crew*'s exploration of class commonwealth kinship and kingship shows an

intense engagement with contemporary politics This edition with dedicated sections on music and language in the play argues that *A Jovial Crew* also offers a nostalgic farewell to English theatre It explores Brome's attitude to performance and print and follows *A Jovial Crew* from its first Caroline staging to its later manifestations as a Restoration comedy an eighteenth century opera and a twentieth century proto Marxist tragicomedy *The Illustrated American*, 1898 *Ragged Regiment* George Marion, 1981 **Big Things Start Small** Joe M.
