The Northern Railroads In The Civil War, 1861-1865 Thomas Weber,2015-11-06 Time has been very good to Thomas Weber s Northern Railroads in the Civil War 1861 1865 First published by Columbia University Press in 1952 it has been out of print since the 1970s but never out of demand It has emerged as the premier account of the impact of the railroads on the American Civil War and vice versa Not only did the railroads materially help the north to victory through movement of troops and materiel but the war materially changed the way railroads were built run financed and organized in the crucial years following the war Print ed eminently worthy of study by those interested in either railroads or the Civil War Robert Selph Henry New York Times Book Review Thomas Weber s study of northern railroads during the Civil War remains the obvious treatment of an important topic His analysis rests on solid research and leaves no doubt that the North s excellent use of railroads contributed significantly to Union victory Gary W Gallagher Thomas Weber s analysis rests on solid research and leaves no doubt that the North s excellent use of railroads contributed significantly to Union victory Gary W Gallagher
