Emmett Till in Literary Memory and Imagination Harriet Pollack, Christopher Metress, 2008-01-01 The horrific 1955 slaying of fourteen year old Emmett Till marks a significant turning point in the history of American race relations An African American boy from Chicago Till was visiting relatives in the Mississippi Delta when he was accused of wolf whistling at a young white woman His murderers abducted him from his great uncle's home beat him then shot him in the head Three days later searchers discovered his body in the Tallahatchie River The two white men charged with his murder received a swift acquittal from an all white jury The eleven essays in *Emmett Till in Literary Memory and Imagination* examine how the narrative of the Till lynching continues to haunt racial consciousness and to resonate in our collective imagination The trial and acquittal of Till's murderers became in the words of one historian the first great media event of the civil rights movement and since then the lynching has assumed a central place in literary memory The international group of contributors to this volume explores how the Emmett Till story has been fashioned and refashioned in fiction poetry drama and autobiography by writers as diverse as William Bradford Huie James Baldwin Langston Hughes Gwendolyn Brooks Audre Lorde Anne Moody Nicol's Guill'n Aim C saire Bebe Moore Campbell and Lewis Nordan They suggest the presence of an Emmett Till narrative deeply embedded in post 1955 literature an overarching recurrent plot that builds on recognizable elements and is as legible as the lynching narrative or the passing narrative Writers have fashioned Till's story in many ways an the annotated bibliography that ends

the volume discusses more than 130 works that memorialize the lynching calling attention to the full extent of Till's presence in literary memory Breaking new ground in civil rights studies and the discussion of race in America Emmett Till in Literary Memory and Imagination eloquently attests to the special power and artistic resonance of one young man's murder *The (Underground) Railroad in African American Literature* Darcy Zabel, 2004 The Underground Railroad in African American Literature offers a brief history of the African American experience of the railroad and the uses of railroad history by a wide assortment of twentieth century African American poets dramatists and fiction writers Moreover this literary history examines the ways in which trains train history and legendary train figures such as Harriet Tubman and John Henry have served as literary symbols This repeated use of the train symbol and associated train people in twentieth century African American literature creates a sense of literary continuity and a well established aesthetic tradition all too frequently overlooked in many traditional approaches to the study of African American writing The metaphoric possibilities associated with the railroad and the persistence of the train as a literary symbol in African American writing demonstrates the symbol's ongoing literary value for twentieth century African American writers writers who invite their readers to look back at the various points in history where America got off track and who also dare to invite their readers to imagine an alternate route for the future
