Picture Postcards Officially Issued by the Great Eastern Railway Company , 1981 *Picture Postcards Officially Issued by the Great Western Railway Company* , 1981 **Picture Postcards Officially Issued by the Minor English Railway Companies** , 1981 *Mountain Railways and Locomotives* Keith Taylorson, 1999-10-01 **Ohio's Railway Age in Postcards** H. Roger Grant, 1996 From unpublished collections of quality railroad picture postcards including rare real photo cards H Roger Grant has selected more than 150 black and white views of the railway age in Ohio These scenes of steam trains and electric interurban lines of railroad workers and depots and travelers focus on the period 1900 to 1915 when Ohio railroading was in its heyday and the great American postcard passion was at its height *Devon Railway Stations on Old Picture Postcards* Andrew Swift, 2001-06-01 **The Midland Railway** Glynn Waite, 2003 **Picture Postcards Officially Issued by the Great Central & Great Northern Railway Companies** , 1981 *Picture Postcards Officially Issued by the Midland Railway Company* , 1982 *Picture Postcards Officially Issued by the Pre-grouping Southern Railway Companies* , 1981 **Railroad Postcards in the Age of Steam** H. Roger Grant, 1994 Out of the tradition of those long gone days of great heaving steam locomotives and endless rail lines comes this remarkable selection of vintage cards a treasure trove selected from John Vander Maas consummate collection at the University of Iowa Libraries This lavish volume is the first general book length work devoted to the once ubiquitous railroad picture postcard It comprises an introductory essay and an album of cards The former fully examines the nature of the postcard craze which reached its zenith about 1910 and discusses why images of American railroads played such an important part in the card phenomenon The album divides an engaging assortment of more than 150 representative views into five sections Trains and Rolling Stock Depots and Railway Structures

The Railroad Corridor People and Railroads and The Lighter Side of Railroading Railroad historians train enthusiasts postcard collectors and all other readers will find much to interest them in this selection of images Not only are the cards themselves visually striking but they convey a sense of how important railroads once were to the nation s citizenry The sight of steaming locomotives and the hustle and bustle associated with train time caused hearts to quicken These feelings made views of railroad scenes popular with buyers of postcards and now with latter day railroad fans and card collectors

Picture Postcards Officially Issued by the Furness Railway Company ,1982 *Picture Postcards Officially Issued by the Irish & Isle of Man Railway Companies* ,1981 **Collecting Picture Postcards** Geoffrey A. Godden,1996 Uses Worthing as a case study and looks at the introduction and development of picture postcard collecting *Railroads in the Heartland* H. Roger Grant,1997 Historians of midwestern railroading during the early part of the twentieth century have generally focused on the production of railroad company histories while ignoring the regional view Fortunately for railway historians and buffs coincidentally with the zenith of the Railway Age the national fad for producing and mailing postcards was at its height Millions of cards including real photo images were produced between 1905 and 1915 Roger Grant has selected more than a hundred representative picture postcards to visualize the principal themes and characteristics that gave this dynamic industry its distinctive regional features By the turn of the century the railroad map of the Midwest was unequalled Anyone who examined it carefully sensed that this was the vital center of America s massive network of steel rails Depots erected in the western prairie environment were spartan with only minor decoration but those in the Midwest usually mirrored more ornate New England styles These features are often reflected in the images in this heavily illustrated book which depicts the spare but strong pioneering spirit of the enterprise Picture Postcards Officially Issued by the London & North Western Railway Company ,1982 **The Railway Magazine** ,1907
