tourism *British railway enthusiasm* Ian Carter,2017-10-03 Now available in paperback this is the first academic book to study railway enthusiasts in Britain Far from a trivial topic the post war train spotting craze swept most boys and some girls into a passion for railways and for many ignited a lifetime s interest British railway enthusiasm traces this post war cohort and those which followed as they invigorated different sectors in the world of railway enthusiasm train spotting railway modelling collecting railway relics and then in response to the demise of main line steam traction Britain s now huge preserved railway industry Today this industry finds itself riven by tensions between preserving a loved past which ever fewer people can remember and earning money from tourist visitors The widespread and enduring significance of railway enthusiasm will ensure that this groundbreaking text remains a key work in transport studies and will appeal to enthusiasts as much as to students and scholars of transport and cultural history **Nilgiri Mountain Railway (NMR)** V.M. Govind Krishnan,2018-03-01 This book is a tribute to the relentless campaign by railway enthusiasts and the public of the Nilgiri Hills to keep the beautiful engineering marvel in running condition Their untiring effort continues to this day and it is largely due to this that the unique railway was recognized as a World Heritage Site by UNESCO on July 15 2005 This is a rare compilation of published materials on NMR analyzed and written in eloquent English which will interest anyone who likes the NMR or people s initiatives to propel such actions to save the unique lifeline from oblivion The book serves as an almanac on Nilgiri Mountain Railway NMR with the events chronologically arranged to depict the true picture and more so the public opinion which helped to thwart the Government s moves to close the line The New Indian Express *Britain's Changing Train Liveries* David Goodyear,2023-11-23 Railway liveries play an important role in establishing much valued recognition of the many operating companies through the variety of colors worn by their trains which ply our British railways These reinforce the pride that their uniform bestows This is demonstrated by the immaculate designs which adorned the Pre grouping steam locomotives through to the stamp of Network South East which certainly raised the profile of many ordinary commuter trains at least around London and the Home Counties Similarly it is a quality which is especially evident in the ubiquitous all pervading British Railways blue era which now features as an essential ingredient in diesel preservation as also in a multitude of colors and futuristic designs bestowed by the contemporary privatized passenger and freight companies Furthermore consider the appeal of retro liveries which decorate some of the locomotives hauling charter trains a trend which reinforces the popularity of liveries which were once merely part of the mundane everyday scene Any glimpse through the news reviews and photographs published in monthly railway magazines will reveal such a kaleidoscope of colors adorning the locomotives and rolling stock which traverse the UK s modern and preserved railways This book endeavors to facilitate a brief overview of some of these liveries in the hope that it will whet the readers appetite to explore their own world of railway liveries *Festiniog Railway: From Slate Railway to Heritage Operation, 1921-2014* Peter Johnson,2017-10-30 Opened in 1836 as a horse tramway using gravity to carry slate from Blaenau Ffestiniog to Porthmadog by the 1920s the Festiniog

Railway had left its years of technical innovation and high profits long behind After the First World War the railways path led inexorably to closure to passengers in 1939 and goods in 1946 After years of abandonment visionary enthusiasts found a way to take control of the railway and starting its restoration in 1955 Not only did they have to fight the undergrowth they also had to fight a state owned utility which had appropriated a part of the route All problems were eventually overcome and a 2 mile deviation saw services restored to Blaenau Ffestiniog in 1982 Along the way the railway found its old entrepreneurial magic building new steam locomotives and carriages and rebuilding the Welsh highland Railway to become a leading 21st century tourist attraction Historian Peter Johnson well known for his books on Welsh railways has delved into the archives and previously untapped sources to produce this new history a must read for enthusiasts and visitors alike The Festiniog Railways pre 1921 history is covered in Peter Johnsons book Festiniog Railway the Spooner era and after 1830 1920 also published by Pen Sword Transport
