Rainer Maria Rilke Timothy Joseph Casey,1976 The Writer's Task from Nietzsche to Brecht Hans Reiss,1978-06-17

Reading Rilke's Orphic Identity Erika M. Nelson,2005 Studies in Modern German and Austrian Literature publishes research and scholarship devoted to German and Austrian literature of all forms and genres from the eighteenth century to the present day The series promotes the analysis of intersections of literature with thought society and other art forms such as film theatre autobiography music painting sculpture and performance art **Encyclopedia of German Literature**

Matthias Konzett,2015-05-11 Designed to provide English readers of German literature the opportunity to familiarize themselves with both the established canon and newly emerging literatures that reflect the concerns of women and ethnic minorities the Encyclopedia of German Literature includes more than 500 entries on writers individual work and topics essential to an understanding of this rich literary tradition Drawing on the expertise of an international group of experts the essays in the encyclopedia reflect developments of the latest scholarship in German literature culture and history and society In addition to the essays author entries include biographies and works lists and works entries provide information about first editions selected critical editions and English language translations All entries conclude with a list of further readings

Encyclopedia of Literary Modernism Paul Poplawski,2003-12-30 Modernism is still widely acknowledged as perhaps the most important and influential artistic and cultural phenomenon of the 20th century Written by expert scholars from around the world and covering hundreds of different topics in a clear incisive and critical manner this reference maps the complex field of modernism in a fresh and original way The principal focus of the book is on English language literary modernism and the period 1890 1939 yet many entries extend beyond those parameters to include important precursors and successors of the movement The book also covers the crucial European and interdisciplinary dimensions of modernism and provides complementary comparative perspectives from countries and regions not usually included in traditional accounts of the subject Entries cite works for further reading and the volume closes with a selected general bibliography *Major*

Figures of Turn-of-the-century Austrian Literature Donald G. Daviau,1991 The purpose of this projected seven volume series is to help make the major figures of Austrian literature from 1800 to the present accessible to an English speaking audience The introductions provide an overview of the cultural and political background of the age to furnish a broader context for the individual contributions Bibliographies of primary and secondary texts enhance the value of the volumes as reference works This volume covers the turbulent period between the two world wars Despite the hardships endured by a country recovering from a severe war and despite the prominence of politics literature flourished to a degree that surprisingly perhaps makes this era one of the richest periods in Austrian literary history *The Catalog of the Gerhard Mayer Collection of Rainer Maria Rilke at the University of Illinois Library at Urbana-Champaign* University of Illinois at Urbana-Champaign.

Library,1988 Wittgensteinian Values Emyr Vaughan Thomas,2018-01-12 This title was first published in 2001 This work

examines the self renouncing dimension which Wittgensteinian philosophy subscribes to ethico religious ideals
Wittensteinian values are explored through a range of literary and cultural illustrations from Wittgenstein s own European
milieu The book also highlights an alternative model of self renouncing faith which has methodological implications for how a
Wittgensteinian descriptivist approach should be carried out Wittgensteinian assumptions about the nature of self
renunciation the religious believer s orientation to the world and the place of the metaphysical in religion are among some of
the elements that need to be reappraised Reading Cy Twombly Mary Jacobus,2016-08-16 Cover Title Copyright Contents
