Raise 'Em and Get the Last Laugh Carol H. Galant,1986-01-01 *Love in Flesh and Bone* Amy E. Richter,Joseph S. Pagano,2014-01-15 On the weekend of April 22 2012 the St Anne s Church website received thousands of visitors That Sunday in the New York Times Magazine an article appeared about the Rev Dr Amy E Richter competing in a physique competition The strong reactions to the article got Richter and her husband and fellow clergyperson the Rev Dr Joseph Pagano thinking about the scandal of the Incarnation The claim that God entered fully into our flesh and blood human existence makes some of us squeamish And yet this shocking claim is at the heart of the good news that in Christ God is with us no matter what There is nothing that can happen to us no pain no humiliation no anguish that can separate us from the love of God in Christ Jesus our Lord In sermons for the seasons of Advent Christmas and Epiphany Richter and Pagano proclaim the good news of the scandalous love of God in flesh and bone Dictionary of Americanisms, Britishisms, Canadianisms and Australianisms V.S. Congress. Senate. Committee on the Judiciary,1977 The Last Laugh Trevor J. Blank,2013-08-26 Widely publicized in mass media worldwide high profile tragedies and celebrity scandals the untimely

deaths of Michael Jackson and Princess Diana the embarrassing affairs of Tiger Woods and President Clinton the 9 11 attacks or the Challenger space shuttle explosion often provoke nervous laughter and black humor If in the past this snarky folklore may have been shared among friends and uttered behind closed doors today the Internet's ubiquity and instant interactivity propels such humor across a much more extensive and digitally mediated discursive space New media not only let more people in on the joke but they have also become the go to formats for engaging in symbolic interaction especially in times of anxiety or emotional suppression by providing users an expansive forum for humorous combative or intellectual communication including jokes that cross the line of propriety and good taste Moving through engaging case studies of Internet derived humor about momentous disasters in recent American popular culture and history The Last Laugh chronicles how and why new media have become a predominant means of vernacular expression Trevor J Blank argues that computer mediated communication has helped to compensate for users sense of physical detachment in the real world while generating newly meaningful and dynamic opportunities for the creation and dissemination of folklore Drawing together recent developments in new media studies with the analytical tools of folklore studies he makes a strong case for the significance to contemporary folklore of technologically driven trends in folk and mass culture

Western Self-Contempt
 Benedict Beckeld, 2022-05-15 Western Self Contempt travels through civilizations since antiquity examining major political events and the literature of ancient Greece Rome France Britain and the United States to study evidence of cultural self hatred and its cyclical recurrence Benedict Beckeld explores oikophobia described by its coiner Sir Roger Scruton as the felt need to denigrate the customs culture and institutions that are identifiably ours in its political and philosophical applications Beckeld analyzes the theories behind oikophobia along with their historical sources revealing why oikophobia is best described as a cultural malaise that befalls civilizations during their declining days Beckeld gives a framework for why today's society is so fragmented and self critical He demonstrates that oikophobia is the antithesis of xenophobia By this definition the riots and civil unrest in the summer of 2020 were an expression of oikophobia Excessive political correctness that attacks tradition and history is an expression of oikophobia Beckeld argues that if we are to understand these behaviors and attitudes we must understand oikophobia as a sociohistorical phenomenon Western Self Contempt is a systematic analysis of oikophobia combining political philosophy and history to examine how Western civilizations and cultures evolve from naive and self promoting beginnings to states of self loathing and decline Concluding with a philosophical portrait of an increasingly interconnected Western civilization Beckeld reveals how past events and ideologies both in the US and in Europe have led to a modern culture of self questioning and self rejection

Nietzsche's Last Laugh Nicholas D. More, 2014-03-27 Nietzsche's *Ecce Homo* was published posthumously in 1908 eight years after his death and has been variously described ever since as useless, mad or merely inscrutable. Against this backdrop, Nicholas D. More provides the first complete and compelling analysis of the work and argues that this so-called autobiography is instead a satire. This form enables Nietzsche to belittle bad philosophy by comic means, attempt reconciliation with his painful past, review and unify his disparate works, insulate himself with humor from the danger of looking into abysses and establish wisdom as a special kind of good taste. After showing how to read this much maligned book, More argues that *Ecce Homo* presents the best example of Nietzsche making sense of his own intellectual life and that its unique and complex parody of traditional philosophy makes a powerful case for reading Nietzsche as a philosophical satirist across his corpus.

Time Steps Donna McKechnie, Greg Lawrence, 2006-10-31 A poignant and revealing memoir from legendary entertainer and Tony award-winning actress Donna McKechnie, star of *A Chorus Line* and Broadway mainstay for decades. Donna McKechnie began her love affair with dance as a child in Detroit. At fifteen, she ran away from home to join a touring dance troupe, and in 1961 she was cast in the Broadway smash hit *How to Succeed in Business Without Really Trying*. She soon won acclaim as Michael Bennett's show-stopping muse in *Promises, Promises* and *Company*. In 1975, with her Tony-winning performance in Michael Bennett's masterpiece *A Chorus Line*, McKechnie vaulted to stardom as a unique Broadway triple threat who could do it all: dance, sing, and act. Moving among the circles of artists, dancers, and musicians who inspired and challenged her in myriad ways, McKechnie writes about the trajectory of her career as it intertwined with and influenced her personal life and the lives of those around her. Recounting her dazzling career, McKechnie also reveals the dark side of fame: from her parents' troubled relationship to a searing account of her own marriage to Michael Bennett and her inspiring triumphs over depression and the rheumatoid arthritis that nearly ended her career. With affectionate reminiscences of Bob Fosse, Gwen Verdon, Stephen Sondheim, Fred Astaire, and many other well-known friends, McKechnie exhibits all the warmth, sensitivity, and verve that have endeared her to legions of fans over the years. Filled with behind-the-scenes stories and anecdotes, *Time Steps* is a candid, funny, and deeply personal memoir by a vivacious woman with an indomitable spirit and an illustrious, memorable career.

Funny Dostoevsky Lynn Ellen Patyk, Irina Erman, 2024-06-13 Tapping into the emergence of scholarly comedy studies since the 2000s, this collection brings new perspectives to bear on the Dostoevskian light side. *Funny Dostoevsky* demonstrates how and why Dostoevsky is one of the most humorous 19th-century authors, even as he plumbs the depths of the human psyche and the darkest facets of European modernity. The authors go beyond the more traditional categories of humor, such as satire, parody, and the carnivalesque, to apply unique lenses to their readings of Dostoevsky. These include cinematic slapstick and the body in *Crime and Punishment*, the affective turn, and hilarious and deadly impatience in *Demons*, and ontological jokes in *Notes from Underground* and *The Idiot*. The authors coincidentally all

women including some of the most established scholars in the field alongside up and comers address gender and the marginalization of comedy culminating in a chapter on Dostoevsky's funny and furious women and explore the intersections of gender and humor in literary and culture studies Funny Dostoevsky applies some of the latest findings on humor and laughter to his writing while comparative chapters bring Dostoevsky's humor into conjunction with other popular works such as Chaplin's *Modern Times* and Lin Manuel Miranda's *Hamilton* Written with a verve and wit that Dostoevsky would appreciate this boldly original volume illuminates how humor and comedy in his works operate as vehicles of deconstruction pleasure play and transcendence
