Stamps, 2024-08-27 Parents the godless anti while celebrating New York as both a place and an idea Bible Veejack religion is using the public schools and government funding to train our children family and friends to reject our Judeo Christian values and beliefs For the past forty years Judeo Christians have endured relentless assaults by news reporters talk shows politicians academics and educators media influencers and performing artists The assault targets Judeo Christian faiths by focusing on the negative inflammatory and predatory behaviors and activities of a minority of individuals in leadership positions These incidents are widely circulated by the anti Judeo Christian forces in attempts to demean the

faiths and influence people to believe the whole Judeo Christian model is corrupt and should be abolished Realization that there is an external force targeting and tarnishing the Judeo Christian faiths fosters a secondary realization The external force attempting to destroy Judeo Christian faiths is actually a nontheistic often hedonistic and self destructive competing religion that dares not publicly announce its existence The media purposely ignores the significantly beneficial Judeo Christian activities that occur every day across the United States Judeo Christian activities such as molding moral behavior in youths educating oppressed and impoverished people providing free food shelter and health care to the indigent providing counseling visiting the sick infirm and elderly and those in hospice care assisting addicts to regain their freedom by helping them to eliminate dependence on addictive substances and calming gang violence These and a host of other unheralded and unreported positive Judeo Christian activities are ignored by the propagandists of the new religion The new religion and its media influencers portray the Judeo Christian faiths in the worst light possible The new religion s politicians legislate its religious beliefs into law The new religion s clerics functioning as journalists or researchers or academics or broadcast personalities paint a slanted negative one sided portrait of Judeo Christian faiths and praise the tenets of the new religion
