Mixed Martial Arts and the Quest for Legitimacy Mark S. Williams, 2018-03-19 Mixed martial arts or MMA is widely regarded as the fastest growing sport Events fill stadiums around the world and draw vast television audiences earning strong revenue through pay per view at a time when other sports have abandoned it In 2016 the Ultimate Fighting Championship was bought by the massive talent agency WME IMG for 4 billion Despite this success much of the public remains uneasy with the sport which critics have denounced as human cockfighting Through an exploration of violence class gender race and nationalism the author finds that MMA is both an expression of the positive values of martial arts and a spectacle defined by narcissism hate and patriarchy The long term success of MMA will depend on the ability of promoters and athletes to resist indulging in spectacle at the

expense of sport **The Antichrist's Guillotines on Reality TV** Daniel F. Owsley, 2012-04-24 1 The Bible isn't the only place where mayhem is prophesied for the end time days of many dead ends For an ancient prophecy predicted every gushing artery and headless corpse when it was written that the winds of those stormy days shall be yoked to the spirit of death that will tear the sky with his talons Then the deluge of squirting veins will bellow like many rushing bulls as the murderous wind many demons resounds like a screaming hawk The gross darkness shall be dense the sun will seem to be gone for millions as blackness encircles them The Spirit of Doom will rejoice Even some waves of insanity shall arise with great speed like a hungry sea monster to lick the face of earth like it was only melting red ice As a result the earth as it will then be known shall begin to melt away from that cold shoulder of hatred under many brand new waters of many sorry sorrows that shall be very sure to turn the planet inside out upside down and back again as it will rapidly go belly up and six feet under It shall therefore become the time of desolation a time of carnage a moment of agony and a period when evil souls shall have a license to kill permission to maim and give no applause when they only injure All the world shall joyfully watch and all the wicked ones of the world shall laugh as madmen as a frothy river of blood is unexpectedly unleashed upon repentant innocents of the Most High Then shall chaos come alive with murder on his depraved mind Nor shall that greedy wretch ever be happy with little injuries For that vain spirit of utter contempt shall happily cause the heavens to roar and the earth to rumble and the utter darkness of shadowy character shall unexpectedly loom as the spirit of the heaviest heaviness then swiftly sweeps in like a blistery gale of no good A lunatic shall abruptly be like a bolt of lightning that shall crackle as a hen and a great fire of terrible destruction shall quickly break out and where those incinerating flames of unspeakable calamity are fanned it shall keep keep on thickening into a morbid inferno of boiling red hot emotion ready to kill ready to dismember and more than ready to come against anything honest that dares to get in its way Then the drunken spirit of death serial killer style shall reign with slobber drooling down its mouth as darkness darkly rules For the intense animosity of many bitter and angry souls will be extremely frightful to behold Even the wrathful fallen angel of the screaming wind of madness will see all of the horrors of many rocky hearts combined And lo Tremendous shall be the deepest foul emotions that this demon shall help to bring forth from many blood crazy crazies like many springs of inflaming Sulphur that will flash from beneath his wings Hark his strong voice shall the silence break and many screams shall be screamed and many saddened cries will be ignored Mad chaos from the chains of death shall run the rampant like a plague that suddenly awakes to pour out many fevers of infirmity in order to collect the corpses of many multitudes Then shall a warm deluge of plasma burst into a deathly flame of no more second chances as children of the king are given crowns of thorns to wear The Sick earth shall then utter some convulsive groans from shore to shore as people are slain for their happiness And even nature shuddering shall feel the horrid roar of much laughter as helpless souls are tied down with a cage around their heads just to feed some hungry rats Then the expanded waters of a multitude of tears shall gather quickly on the plain and they will rapidly begin to

float away the fears of the living by making them to be dead Then as that satanic spirit of death rushes onwards with a sweepy red sway they shall flow as a flood of the greatest woe 1 And if all of the above wasn t bad enough the ancient prophecy of Lazarus added Behold the dreadful wailing of the sodomites who wallow in morbidic blood issuing forth from the putrid bladder of Satan Your guts will be spun on the loom of judgement to drip like pus into the mouths of the unconverted 2 You will become like shit on the shoe of Lucifer the gristle in a pool of Demonic vomit You will also become the genital warts that adorn the arse of Hades 3 All of this and more shall you become in the final days of Man The dragon and beast cast into Hell Death into the valley of Jehoshaphat 4 The earth shall shake at the end of days Men will flee into holes and caves 5 All hail the swarm of demons that cometh like flies from the bottomless pit 6 Hark the horns of Armageddon for they herald the messianic oracle of slaughter and wrath Apocalypse an oracle of darkness and brimstone and fire 7 Apocalypse the whore of Babylon and the Demonic holocaust 8 Apocalypse the shattered universe and a fellowship of death 9 Apocalypse the number of the beast and the devouring locust 10 Apocalypse a holy revelation and the seventh seal of God 11 Apocalypse Seducer of earth and pale horse of death from the flames of the Satanic war machine that s born of the dragon of chaos way before the dead will be reborn

Robots in Popular Culture Richard A. Hall,2021-07-12 Robots in Popular Culture Androids and Cyborgs in the American Imagination seeks to provide one go to reference for the study of the most popular and iconic robots in American popular culture In the last 10 years technology and artificial intelligence AI have become not only a daily but a minute by minute part of American life more integrated into our lives than anyone would have believed even a generation before Americans have long known the adorable and helpful R2 D2 and the terrible possibilities of Skynet and its army of Terminators Throughout we have seen machines as valuable allies and horrifying enemies Today Americans cling to their mobile phones with the same affection that Luke Skywalker felt for the squat R2 D2 Meanwhile our phones personal computers and cars have attained the ability to know and learn everything about us This volume opens with essays about robots in popular culture followed by 100 A Z entries on the most famous AIs in film comics and more Sidebars highlight ancillary points of interest such as authors creators and tropes that illuminate the motives of various robots The volume closes with a glossary of key terms and a bibliography providing students with resources to continue their study of what robots tell us about ourselves

Revelation of the Two Witnesses Daniel F. Owsley,2012-03-12 In the Revelation of the Two Witnesses a superb Bible based battle is described between the Antichrist the False prophet and Moses and Elijah In the old west such meetings of over the top guts and brass were always invitations for participants to experience their very last

breaths along with a pretty keen welcome from the local undertaker Audacity thrived 2 But neither the Antichrist Moses or Elijah held the dread that they'd be sitting with any funeral director For all of them walked in unnatural resurrected flesh that was supernaturally born from the essence of utter impossibilities 3 And the only difference between our Lord's witnesses and Satan's son was that this evil one was in a cursed everlasting body while the ones of Moses and Elijah were blessed after being glorified by the power of Christ's very best wishes 4 Only Velgor the false prophet stood alone in normal flesh But even he didn't flinch at death since he only feared living in a helpless world he couldn't dominate 5 It was a sure thing though that somebody was sure to pass on that day while entering into a place where they may or may not have been before 6 Nevertheless four heavyweights were about to do some shadow dancing while multitudes of spirit beings readied themselves for Hell's gong to sound off 7 But the main players of this new Boot Hill would only be the untrue right and left hands of Satan along with the two age-old servants of His Holiness our Kingly King of all things seen or unseen and our Lofty Lord of everything possible or impossible For with Christ all things were probable 8 And so it was that two by two both good and evil were then staring each other down from a distance Two by two throats were cleared spit swallowed and allegiances silently reconfirmed Then loyalties were all or nothing 9 For it was apparent to all eyes on that location or to those like myself through the magic of television that each of those four were undoubtedly zooming in upon the invisible forces that were hyped up near each side 10 Then the Eyes of Moses along with Elijah suddenly shined most brightly with fires of righteous anger while they flickered with a much greater radiating light that even the brightest flame of Hell ever could have claimed 11 On the other hand though the hate-filled eyes of Darius and Asanti obnoxiously sparkled like some lit brimstone that was hotter than molten lava 12 And their corrupted sparks seemed like they were being fuelled by the energy forces of weak-minded souls that were ravaged because they were evil 13 However their light was extremely dim though especially when compared to the overflowing brightness that was coming from those approaching prophets 14 But the inner darkness of that self-absorbed trio that stupidly stood against God's genius were then ready to try invading those coming lights 15 Then that was fated to become the most unusual showdown of all showdowns 16 It would also be one that would be far greater than the one formerly seen at the OK Corral And it would shortly be commencing live uninterrupted upon the highest definition television to ever broadcast such an epic scene 17 Thusly it was about to become very clear that the following dumfounding turn of events would swiftly evolve into an extraordinary spectacle that was sure to be an extreme supernatural extravaganza of some pretty paranormal power

How Canadians Communicate V David Taras,Christopher Waddell,2016-03-15 Fewer Canadians than ever are lacing up skates swimming lengths at the pool practicing their curve ball and experiencing the thrill of competition However despite a decline in active participation Canadians spend enormous amounts of time and money on sports as fans and followers of sporting events and sports culture Never has media coverage of sports been more exhaustive and never has it been more driven by commercial interests and the need to fuel consumerism on which corporate profits depend But the power plays now occurring in the arena of sports are by no means solely a matter of money At issue as well in the media capture of sports are the values that inform our daily lives the physical and emotional health of the population and the symbols so long central to a sense of Canadian identity Writing from a variety of perspectives the contributors to this collection set out to explore the impact of the media on our reception of and attitudes toward sports to unpack the meanings that sports have for us as citizens and consumers Some contributors probe the function of sports as spectacle the escalation of violence controversies over drug use and the media s coverage of tragic deaths while others shed light on the way in which the media serve to transform sports into a vehicle for the expression of identity and nationalism The goal is not to score points but to prompt critical discussion of why sports matter in Canadian life and culture and how they contribute to the construction of identity
