

The image is a scenic landscape photograph of a mountain range. In the foreground, a river flows through a lush green valley, surrounded by tall grass and dense evergreen forests. In the background, a large, rugged mountain peak rises prominently, its rocky face partially illuminated by warm light. The sky is a clear blue with some light clouds. armed A millennium ago North American cities rivaled urban centers around the world in size Then following a period of climate change and instability numerous smaller nations emerged moving away from rather than toward urbanization From this urban past egalitarian government structures diplomacy and complex economies spread across North America So when Europeans showed up in the sixteenth century they encountered societies they did not understand those having developed differently from their own and whose power they often underestimated For centuries afterward Indigenous people maintained an upper hand and used Europeans in pursuit of their own interests In Native Nations we see how Mohawks closely controlled trade with the Dutch and influenced global markets and how Quapaws manipulated French colonists Power dynamics shifted after the American Revolution but Indigenous people continued to command much of the continent s land and resources Shawnee brothers Tecumseh and Tenskwatawa forged new alliances and encouraged a controversial new definition of Native identity to attempt to wall off U S ambitions The Cherokees created institutions to assert their sovereignty on the global stage and the Kiowas used their power in the west to regulate the passage of white settlers across their territory In this important addition to the growing tradition of North American history centered on Indigenous nations Kathleen DuVal shows how the definitions of power and means of exerting it shifted over time but the sovereignty and influence of Native peoples remained a constant and will continue far into the future An essential American history The Wall Street Journal *Kerr-McGee Oil and Gas Onshore LP (KMG), Greater Natural Buttes* ,2012 **Federal Register** ,2008-02
