Rod Serling's Night Gallery Reader Carol Serling, Rod Serling, Charles G. Waugh, Martin Harry Greenberg, 1990-07-01 A razor blade of fear slicing across your mind A twist of fate An error in judgment Reality or just imagination Here are 18 stories designed to disturb a collection of the best of the cult classic television series by masters of this macabre art Serling's Night Gallery Reader Carol Serling, Charles Waugh, Martin Harry Greenberg, 1987 This anthology brings together original stories that Rod Serling made into episodes of his Night Gallery series including works by H P Lovecraft C M Kornbluth Fritz Leiber Richard Matheson and Serling himself Rod Serling's Night Gallery Scott Skelton, Jim Benson, 1999 When CBS cancelled Serling's series The Twilight Zone Serling sought a similar concept in Night Gallery in the early 1970s as a new forum for his brand of storytelling a mosaic of classic horror and fantasy tales In this work the authors explore the genesis of the series and provide production detail and behind the scenes material They offer critical commentary and off screen anecdotes for every episode complete cast and credit listings and synopses of all 43 episodes Also featured are interviews with television personalities including Roddy McDowall John Astin Richard Kiley and John Badham Nicholas Parisi, 2018-10-24 Long before anyone had heard of alien cookbooks gremlins on the wings of airplanes or places where pig faced people are considered beautiful Rod Serling was the most prestigious writer in American television As creator host and primary writer for The Twilight Zone Serling became something more an American icon When Serling died in 1975 at the age of fifty he was the most honored most outspoken most recognizable and likely the most prolific writer in television history Though best known for The Twilight Zone Serling wrote over 250 scripts for film and television and won an unmatched six Emmy Awards for dramatic writing for four different series His filmography includes the acclaimed political thriller Seven Days in May and cowriting the original Planet of the Apes In great detail and including never published insights drawn directly from Serling's personal correspondence unpublished writings speeches and unproduced scripts Nicholas Parisi explores Serling s entire massive body of work With a foreword by Serling s daughter Anne Serling Rod Serling His Life Work and Imagination is part biography part videography and part critical analysis It is a painstakingly researched look at all of Serling's work in and out of The Twilight Zone The Essential Science Fiction Television **Reader** J.P. Telotte, 2008-05-02 Once confined solely to literature and film science fiction has emerged to become a firmly established and wildly popular television genre over the last half century The Essential Science Fiction Television Reader provides insight into and analyses of the most important programs in the history of the genre and explores the breadth of science fiction programming Editor I P Telotte and the contributors explain the gradual transformation of the genre from low budget cinematic knockoffs to an independent and distinct televisual identity Their essays track the dramatic evolution of early hits such as The Twilight Zone and Star Trek into the science fiction programming of today with its more recent successes such as Lost and Heroes They highlight the history narrative approaches and themes of the genre with an inviting

and accessible style In essays that are as varied as the shows themselves the contributors address the full scope of the genre In his essay The Politics of Star Trek The Original Series M Keith Booker examines the ways in which Star Trek promoted cultural diversity and commented on the pioneering attitude of the American West Susan George takes on the refurbished Battlestar Galactica series examining how the show reframes questions of gender Other essays explore the very attributes that constitute science fiction television David Lavery s essay The Island s Greatest Mystery Is Lost Science Fiction calls into question the defining characteristics of the genre From anime to action every form of science fiction television is given thoughtful analysis enriched with historical perspective Placing the genre in a broad context The Essential Science Fiction Television Reader outlines where the genre has been where it is today and where it may travel in the future No longer relegated to the periphery of television science fiction now commands a viewership vast enough to sustain a cable channel devoted to the genre Young Adult Reader's Adviser Marion Sader, 1992-01-30 The best in literature and language arts mathmatics and computer science Short Story Index ,1989 Science Fiction and Fantasy Literature, 1975-1991 R.
