Roger Brown Aj Greenberg, Aaron Lee Greenberg, PhD, 2021-03-31 A Note From Roger Why write a biography Who cares What difference can it make I have been thinking about doing this for a very long time The idea penetrated my skull when a family office investment advisor kept suggesting I should record my story I resisted the thought for many months as the prospect of rereading all my weekly letters and extensive travel diaries overwhelmed any urge to start the process Regardless encouragement from some children and grandchildren kept the idea alive After all I don't have many more years to live and I recall that my father was 90 I am now 95 when he began writing Reminiscences Maybe I can document some thoughts before it's too late About Roger Brown Roger Brown was born in 1925 grew up in Chicago graduated from Yale University in the 1940s officered a destroyer escort in WWII and survived to graduate from Harvard's Business School in 1949 He joined A G Becker that writing life is a privilege right and responsibility that written words captivate the atmosphere
