Browne, 1980-05-01 *Roger Corman* Constantine Nasr, 2011-09-13 Roger Corman b 1926 is known by many names craftsman artist maverick schlockmeister mini mogul mentor cheapskate and King of the B s Yet his commitment to filmmaking remains inspired He learned his craft at the end of the studio system only to rebel against Hollywood and define himself as the true independent And the list of directors and producers who learned under his tutelage Francis Ford Coppola Martin Scorsese James Cameron Jonathan Demme and many more is astonishing Collected here are many of the most honest and revealing interviews of his epic career several of which have never been seen in print Roger Corman Interviews brings into focus a life committed to the entertaining art of motion pictures Corman s rare talent combined artistic drive with business savvy ensuring a successful career that was constantly in motion At a remarkable pace more akin to silent movies than modern Hollywood he directed over fifty films in less than fifteen years some entertaining Not of This Earth trendsetting The Wild Angels daring The Intruder workmanlike Apache Woman stylized The Masque of the Red Death and even profound X The Man with the X Ray Eyes In a single year Corman famously shot a cult classic in two and a half days The Little Shop of Horrors reinvigorated the American horror film with a dash of Poe and Price House of Usher and still turned out a few more films shot across the globe Recently awarded an honorary Oscar for his lifetime contribution to cinema the self made Corman has created a legacy as a defining filmmaker

Roger Corman Gary Morris, 1985 How I Made A Hundred Movies In Hollywood And Never Lost A Dime Roger Corman, 1998-08-22 In these pages Roger Corman the most successful independent filmmaker in Hollywood relates his experiences as the director and or producer of such low budget classics Attack of the Crab Monsters The Little Shop of Horrors The Raven The Man with the X ray Eyes The Wild Angels The Trip Night Call Nurses Bloody Mama Piranha and many others He also discusses his distribution of the Bergman Fellini and Truffaut movies that later won Academy Awards in the Best Foreign Film category Corman alumni John Sayles Martin Scorsese Jack Nicholson Vincent Price Francis Ford Coppola Peter Bogdanovich Peter Fonda Joe Dante and Jonathan Demme among others contribute their recollections to give added perspective to Corman s often hilarious always informative autobiography The Cinematography of Roger Corman Pawel Aleksandrowicz, 2016-09-23 Roger Corman is an ambiguous artistic figure On the one hand he is notorious for shooting and producing his films quickly cheaply and with blatant disregard for safety measures which together with his ability to issue a dozen new films every year and his impressive filmography have earned him the titles of schlockmeister and the King of the B s among film journalists On the other hand he became the youngest American director to be given a film retrospective at the prestigious Cin mat que Fran aise in Paris one of his directorial efforts House of Usher was selected for

preservation in the National Film Registry by the Library of Congress and the Academy of Motion Picture Arts and Sciences awarded him with an Academy Honorary Award for his rich engendering of films and filmmakers This book investigates this duality and explores whether Corman is indeed a shlockmeister or an artist whose works are worthy of the highest cinema awards The scope of analysis is limited to his directorial efforts only still encompassing 50 features excluding the 400 films he produced The methodology adopted here is based on the auteur theory in its structuralist version by Geoffrey Nowell Smith and Peter Wollen and focuses on three areas of interest work ethic personal elements in the films personal control over and commitment to the production process outside direction themes topics and concerns common for many of the films regardless of the genre and style recurring stylistic motifs and elements in the camerawork editing and framing
