Future and Fantastic Worlds Sheldon Jaffery, 1987-01-01 Future and Fantastic Worlds embodies an unusual approach to the field of bibliographic research including over 700 annotations of every DAW book published through mid 1987 with indexes by author artist and title providing a massive guide to modern SF writers and their works with much background data Interspersed throughout the book are numerous wry irreverent and amusing observations offered by the late and highly respected researcher in this extremely valuable genre tool [Witness of Gor](#) John Norman, 2014-04-01 Ar defeated shamed and systematically looted is occupied by Cosian forces Perhaps Marlenus of Ar alone the great ubar could remind the men of their Home Stone and its meaning But it is thought that he perished in the Voltai Young women from Earth brought to Gor are commonly taken to the markets to be branded collared and sold as the delicious lovely livestock they are Such is the case of a young woman whom we shall call Janice for that was her Gorean slave name In the prison pits of piratical Treve there exists a chained prisoner who believes himself to be of the Gorean peasantry The nature and even the existence of this prisoner strangely enough is a closely guarded secret In order to better keep this secret it is decided that his servant and warder had best not be a native Gorean Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire Witness of Gor is the 26th book in the Gorean Saga but you may enjoy reading the series in any order

Plunder of Gor John Norman, 2016-08-30 Explore the counterearth of Gor where men enslave women and science fiction and fantasy combine in the latest installment of the long running Gorean Saga A mysterious package lies unclaimed somewhere in the great port of Brundisium and it is rumored that its contents could determine the fate of a world Whether or not that is true one thing is certain Men and beasts will kill to claim it Meanwhile a young woman now merchandise has been brought to the slave markets of Gor after displeasing a stranger in her secretarial job back on Earth Unbeknownst to her she holds the key to finding the elusive package and changing the course of history forever Inspired by works like Edgar Rice Burroughs's John Carter of Mars novels and Robert E Howard's Almuric this adventure series alternatively referred to by several names including the Chronicles of Counter Earth or the Saga of Tarl Cabot has earned a devoted following for its richly detailed world building erotic themes and mash up of science fiction fantasy history and philosophy Plunder of Gor is the 34th book in the Gorean Saga but you may enjoy reading the series in any order **Mercenaries of Gor** John Norman, 2014-04-01 Tarl Cabot is caught up in intrigues and rivalries on the planet of Gor in this science fantasy adventure On Gor there are numerous mercenary companies some larger some smaller whose services may be purchased or bid upon for given periods of time The allegiance of these companies is to their pay and their captains The forces of Cos and Tyros powerful maritime ubarates and their allies have now beached upon the mainland and are utilizing the city of Torcodino as a repository for supplies in preparation to march on a nigh undefended and unprepared Ar Should Ar fall the disinterested

tolerances and neutralities and even the balance of power long sustained between Ar and the great maritime ubarates things that made the existence of the independent companies possible will vanish a development threatening the very existence of the independent companies But when Cabot arrives in Ar it is a city rife with doubt dissension and treason To whom shall the letters be delivered and whom can he trust Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire Mercenaries of Gor is the 21st book in the Gorean Saga but you may enjoy reading the series in any order
