Loved every minute of it It made me want to reach out and hug him Robert Perske Author **Pennhurst and the Struggle for Disability Rights** Dennis B. Downey, James W. Conroy, 2020-06-22 Conceived in the era of eugenics as a solution to what was termed the problem of the feeble minded state operated institutions subjected people with intellectual and developmental disabilities to a life of compulsory incarceration One of nearly 300 such facilities in the United States Pennhurst State School and Hospital was initially hailed as a model institution but was later revealed to be a nightmare where medical experimentation and physical and psychological abuse were rampant At its peak more than 3 500 residents were confined at Pennhurst supervised by a staff of fewer than 600 Using a blended narrative of essays and first person accounts this history of Pennhurst examines the institution from its founding during an age of Progressive reform to its present day exploitation as a controversial Halloween attraction In doing so it traces a decades long battle to reform the abhorrent school and hospital and reveals its role as a catalyst for the disability rights movement Beginning in the 1950s parent advocates social workers and attorneys joined forces to challenge the dehumanizing conditions at Pennhurst Their groundbreaking advocacy accelerated in 1968 by the explosive televised expos Suffer the Little Children laid the foundation for lawsuits that transformed American jurisprudence and ended mass institutionalization in the United States As a result Pennhurst became a symbolic force in the disability civil rights movement in America and around the world Extensively researched and featuring the stories of survivors parents and advocates this compelling history will appeal both to those with connections to Pennhurst and to anyone interested in the history of institutionalization and the disability rights movement

**Pennhurst State School and Hospital** J. Gregory Pirmann, Pennhurst Memorial & Preservation Alliance, 2015-06-15 For nearly 80 years Pennhurst State School and Hospital was a reminder of how society viewed and treated people with intellectual disabilities Over its existence Pennhurst was home to more than 10 600 people Many spent decades there working to keep the institution running by performing various jobs While some enjoyed the lives they had fashioned for themselves at Pennhurst for many others life there was crushing Pennhurst also played a central role in the lives of its employees and in the rural Pennsylvania community where it was located Controversy plagued the institution for its entire existence and it is remembered primarily as a place where bad things happened However it was much more than that This book provides a window into that separate world reminding those who were part of it of what they saw and did there and giving those who know only what they have heard or seen a different picture of what Pennhurst truly was **Crippling the Archive** Jenifer L. Barclay, Stefanie Hunt-Kennedy, 2025-08-05 How do we explain the conspicuous absence of disability from the histories we write What forces and factors create this dynamic How can disability be everywhere and nowhere present and absent and obvious and overlooked in both the historical record and historians interpretations of the past Jenifer L. Barclay and Stefanie Hunt Kennedy edit a collection of interdisciplinary essays that consider how and why physical sensory intellectual and psychological disabilities are underrepresented erased or distorted in the historical record The contributors

draw on the methodology and practice of crippling to uncover disability in contested archives and explore ways to build inclusive archives accountable to and centered on disabled people and disability justice Throughout they show ableness informing the politics of the archive as a physical space a discriminatory record and a collection of silences An essential contribution to research methods and disability justice *Crippling the Archive* offers a blueprint for intersectional and interdisciplinary approaches that bridge disability studies history and archival studies     **Disability Alliances and Allies** Allison C.
