## **Man With The Getaway Face Westlake:**

**The Man with the Getaway Face** Richard Stark, 2009-09-15 In New York there was a contract on his life In Nebraska there was an unscrupulous plastic surgeon guarded by a punch drunk fighter And somewhere in New Jersey there was an armored car stuffed with money In the middle of it all was Parker Parker goes under the knife in *The Man with the Getaway Face* changing his face to escape the mob and a contract on his life Along the way he scores his biggest heist yet but there s a catch a beautiful dangerous catch who goes by the name Alma *Parker* Richard Stark, Darwyn Cooke, 2014-10 The second book in IDW Publishing s new series of Parker novels for the first time in a deluxe hardcover format Written by Richard Stark A K A Donald Westlake the much acclaimed mystery and crime author and with illustrations by Darwyn Cooke the multi Eisner Award winner creator of the Parker series of graphic novels *The Man With the Getaway Face* starts off where *The Hunter* finishes Parker faced off against the crime syndicate known as The Outfit By reclaiming what was taken from him in true Parker style he now has some serious enemies who will be looking for him the kind of enemies that don t forget and never forgive But the methodical Parker as always has a plan he arranges to have his face altered Once that is sorted with little more than a glance in a mirror Parker is off to his next score But complications arise that could mean his new identity is exposed Illustrating the action are 10 full color paintings by Darwyn Cooke the incomparable artist of the Parker series of graphic novels Cooke also lends his considerable graphic design talents to defining the look of the book from layout to typography producing a definitive version of Stark s classic novels *The Man with the Getaway Face* Richard Stark, 1984-06-01 Transformed by plastic surgery Parker plans a dangerous new heist but the scheme is threatened by a potential double cross *The Getaway Car* Donald E. Westlake, 2014-09-03 This is a book for everyone anyone who likes mystery novels or good writing or wit and passion and intelligence The New York Times Over the course of a fifty year career Donald E Westlake published nearly one hundred books including two long running series starring the hard hitting Parker and the hapless John Dortmunder With *The Getaway Car* we get our first glimpse of another side of Westlake the writer what he did when he wasn t busy making stuff up Mixing previously published pieces many little seen with never before published material found in Westlake s working files this compendium offers a clear picture of the man behind the books including his thoughts on his own work and that of his peers mentors and influences It opens with revealing and funny fragments from an unpublished autobiography then goes on to offer an extended history of private eye fiction a conversation among Westlake s numerous pen names letters to friends and colleagues interviews appreciations of fellow writers and much much more There s even a recipe for Sloth la Dortmunder Really A must have for Westlake fans Publishers Weekly starred review This book doesn t disappoint Westlake was a hugely entertaining and witty writer Whether he is writing a letter to his editor or about the history of his genre he remains true to his definition of what makes a great writer passion plus craft The Guardian A valuable collection Toronto Star Includes a foreword by Lawrence Block **Noir Fiction and Film** Lee Clark Mitchell, 2021

The argument of Noir Fiction and Film is curiously counterintuitive that in a century of hard boiled fiction and detective films characteristics that at first seemed trivial swelled in importance flourishing into crucial aspects of the genre Among these are aimless descriptions of people and places irrelevant to plot along with detectives consisting of little more than sparkling dialogue and flippant attitudes What weaves together such features however seems to be a paradox that a genre rooted in solving a mystery structured around the gathering of clues must do so by misdirecting our attention even withholding information we think we need to generate the suspense we also desire Yet successful noir stories and films enhance that suspense through passing diversions descriptive details and eccentric perspectives rather than depending on the center pieces of plot alone suspected motives or incriminating traces As the greatest practitioners of the genre have realized the how of detective fiction its stylistic detours draws us in more insistently than the what or the who its linear advance And the achievement of recent film noir is to make that how become the tantalizing object of our entire attention shorn of any pretense of reading for the plot immersing us in the diversionary delight that has animated the genre from the beginning

The Man with the Getaway Face Richard Stark,1988 Master thief Parker comes to a plastic surgeon in Nebraska with a face that the Outfit the New York syndicate wants to decorate with a bullet But nothing can keep Parker away from his old life of crime and the major heist of an armored car somewhere in New Jersey **The Score** Richard Stark,2010-06-15 An action packed crime novel starring Parker the heister starring in the forthcoming Shane Black film Play Dirty Richard Stark s Parker novels are the hardest of hard boiled classic crime novels where the heists are huge the body counts are high and the bad guys usually win The Parker novels have been a huge influence on countless writers and filmmakers including Quentin Tarantino Stephen King George Pelecanos Colson Whitehead Lucy Sante John Banville and many more Their stripped down language and hard as nails amorality create an unforgettable world where the next score could be the big one but your next mistake could also be your last There s nothing else like them It was an impossible crime knock off an entire town a huge plant payroll all the banks and all the stores in one night But there was one thief good enough to try Parker In The Score Parker takes on his biggest job yet All he needs are the right men the right plan and the right kind of help from Lady Luck But as everyone knows you can never count on that last one This chilling caper could either be the perfect crime or a set up that would land him in jail for life The Hunter Richard Stark,2009-09-15 First book in the classic crime series that s the basis for the forthcoming film Play Dirty She shot him just above the belt and left him for dead Then they torched the house with Parker in it and took the money he had helped them steal It all went down just the way they d planned except for one thing Parker didn t die In The Hunter the first volume in the Parker series our ruthless antihero roars into New York City seeking revenge on the woman who betrayed him and on the man who took his money stealing and scamming his way to redemption The volume that kickstarted Parker s forty plus year career of larceny and inspired the 1967 motion picture Point Blank starring Lee Marvin The Hunter is back ready to thrill a new generation of noir fans *Lazarus: Risen #1* Greg

Comic Crime Earl F. Bargainnier,1987 The actual world of crime is not a subject for laughter but rather for anger or tears The world of fiction however is a different matter Most crime fiction is much nearer the comic than the tragic In the oldest sense of the term comedy that no matter the difficulties misunderstandings or even deaths the evil are thwarted and the good rewarded crime fiction is essentially comic The following eleven original essays cover a wide range in time authors forms of fiction and types of comedy I hope readers will be both informed and entertained by this excursion into British and American humor and homicide comedy and crime
