Maths Made Easy series has been adapted from the bestselling UK series to support classroom teaching for children aged between 4 and 10. It is linked in to the new Australian K 6 Curriculum so is in line with national benchmarks. The series provides an appealing and thorough grounding in maths basics and is divided into three levels: Foundation, Early Years and Middle Years. Maths Made Easy Foundation Book 2 is aimed at ages 4-6 and provides early learning skills to give your child a head start at school from counting and recognising numbers to shapes and simple subtraction. Gold Reward Stars are included at the front of the book to encourage your child as they work through each exercise, while key parental guidance notes and tips and answers are available on the DK Australia website dk.com.au.

Everyday Mathematics Made Easy

Tom Begnal, 2021-06-22

Need to brush up on your math skills? Even though we may have learned the basics of math for a majority of us, once we left the classroom things quickly became foggy, which is normal and to be expected. The good news is that you can get those math skills back and just as strong as ever, maybe even stronger. If you ever felt you were forever doomed to never understanding math, this book can help. With easy-to-follow explanations, simple step-by-step instructions, and graphic illustrations, each chapter is supported by teaching examples that make learning basic math skills as easy as possible, so you can quickly begin to perform addition, subtraction, multiplication, and division. Work with fractions, decimals, powers, and roots. Determine averages. Apply ratios, proportions, and percentages. To make the learning experience practical to the real world, numerous sidebars showcase math principles found in everyday life, in addition to quick tips and tricks to effectively and effortlessly incorporate math at the workplace, within the household, and throughout the day. After each lesson, you'll soon find yourself confidently applying math in places you never expected.
