Medieval Monasteries Of Serbia The

Florin Curta

Medieval Monasteries Of Serbia The:

Medieval monasteries of Serbia Slobodan Mileusnić,1998 *The Mountains of Montenegro* Rudolf Abraham,2015-05-11 A guidebook to a selection of 17 walks and short treks of 2 7 days in the Dinaric Alps of Montenegro Routes are graded by difficulty and range from short easy strolls of under 2 hours to strenuous mountain traverses sometimes involving scrambling and exposed sections Walks range from 2 to 14km and can be enjoyed in 1 5 hours Treks range from 14 to 44km The routes cover Orjen Lovćen Lake Skadar Durmitor Bjelasica Komovi Kucka Krajina Ijevo Visitor and Prokletije with variants and extensions included so that you can tailor your walk or trek to suit your group's ability and timescale clear route description illustrated with sketch mapping comprehensive information on accommodation and facilities water sources transport and maps advice on planning and preparation including recommended kitlist language glossary background information on Montenegro's geology plants and wildlife and rich history [The Routledge Handbook of Byzantine Visual Culture in the Danube Regions, 1300-1600](#) Maria Alessia Rossi,Alice Isabella Sullivan,2024-02-22 This volume aims to broaden and nuance knowledge about the history art culture and heritage of Eastern Europe relative to Byzantium From the thirteenth century to the decades after the fall of Constantinople in 1453 the regions of the Danube River stood at the intersection of different traditions and the river itself has served as a marker of connection and division as well as a site of cultural contact and negotiation The Routledge Handbook of Byzantine Visual Culture in the Danube Regions 1300 1600 brings to light the interconnectedness of this broad geographical area too often either studied in parts or neglected altogether emphasizing its shared history and heritage of the regions of modern Greece Croatia Serbia Bulgaria Romania Hungary Slovakia and Czechia The aim is to challenge established perceptions of what constitutes ideological and historical facets of the past as well as Byzantine and post Byzantine cultural and artistic production in a region of the world that has yet to establish a firm footing on the map of art history The 24 chapters offer a fresh and original approach to the history literature and art history of the Danube regions thus being accessible to students thematically chronologically or by case study each part can be read independently or explored as part of a whole *Introducing Yugoslavia* Lovett F. Edwards,2025-03-01 *Introducing Yugoslavia* 1954 looks at the racial and historic checkerboard of 1950s Yugoslavia providing a fascinating insight into the social and cultural aspects of a land that few Westerners visited at the time Avoiding politics it provides sociocultural descriptions and historical details across a wealth of the country's different regions

Lonely Planet Western Balkans Lonely Planet, **The Serbs** Tim Judah,2008-10-01 Who are the Serbs Branded by some as Europe's new Nazis they are seen by others and by themselves as the innocent victims of nationalist aggression and of an implacably hostile world media In this challenging new book Timothy Judah who covered the war years in former Yugoslavia for the London Times and the Economist argues that neither is true Exploring the Serbian nation from the great epics of its past to the battlefields of Bosnia and the backstreets of Kosovo he sets the fate of the Serbs within the story of

their past This wide ranging scholarly and highly readable account opens with the windswept fortresses of medieval kings and a battle lost more than six centuries ago that still profoundly influences the Serbs Judah describes the idea of Serbdom that sustained them during centuries of Ottoman rule the days of glory during the First World War and the genocide against them during the Second He examines the tenuous ethnic balance fashioned by Tito and its unraveling after his death And he reveals how Slobodan Milosevic later to become president used a version of history to drive his people to nationalist euphoria Judah details the way Milosevic prepared for war and provides gripping eyewitness accounts of wartime horrors the burning villages and ethnic cleansing the ignominy of the siege of Sarajevo and the columns of bedraggled Serb refugees cynically manipulated and then abandoned once the dream of a Greater Serbia was lost This first in depth account of life behind Serbian lines is not an apologia but a scrupulous explanation of how the people of a modernizing European state could become among the most reviled of the century Rejecting the stereotypical image of a bloodthirsty nation Judah makes the Serbs comprehensible by placing them within the context of their history and their hopes Средњовековни манастири Србије Слободан Милеуснић,1997 The Routledge Handbook of East Central and Eastern Europe in the Middle Ages, 500-1300 Florin Curta,2021-11-29 The Routledge Handbook of East Central and Eastern Europe in the Middle Ages 500 1300 is the first of its kind to provide a point of reference for the history of the whole of Eastern Europe during the Middle Ages While historians have recognized the importance of integrating the eastern part of the European continent into surveys of the Middle Ages few have actually paid attention to the region its specific features problems of chronology and historiography This vast region represents more than two thirds of the European continent but its history in general and its medieval history in particular is poorly known This book covers the history of the whole region from the Balkans to the Carpathian Basin and the Bohemian Forest to the Finnish Bay It provides an overview of the current state of research and a route map for navigating an abundant historiography available in more than ten different languages Chapters cover topics as diverse as religion architecture art state formation migration law trade and the experiences of women and children This book is an essential reference for scholars and students of medieval history as well as those interested in the history of Central and Eastern Europe **Southeastern Europe in the Middle Ages, 500-1250** Florin Curta,2006-08-31 Southeastern Europe in the Middle Ages stood at a crossroads of trade and crusading routes and fell within the spheres of influence of both the Byzantine Orthodox Church and Latin Christendom This authoritative survey draws on historical and archaeological sources in the narration of 750 years of the history of the region including Romania southern Ukraine southern Hungary Croatia Slovenia Serbia Montenegro Bulgaria Macedonia Albania and Greece Exploring the social political and economic changes marking the transition from late Antiquity to the early Middle Ages this book addresses important themes such as the rise of medieval states the conversion to Christianity the monastic movement inspired by developments in Western Europe and in Byzantium and the role of material culture architecture the arts and objects of daily life in the representation of power

Eastern Europe in the Middle Ages (500-1300) (2 vols) Florin Curta, 2019-07-08 Winner of the 2020 Verbruggen prize
This book provides a comprehensive synthesis of scholarship on Eastern Europe in the Middle Ages The goal is to offer an overview of the current state of research and a basic route map for navigating an abundant historiography available in more than 10 different languages The literature published in English on the medieval history of Eastern Europe books chapters and articles represents a little more than 11 percent of the historiography The companion is therefore meant to provide an orientation into the existing literature that may not be available because of linguistic barriers and in addition an introductory bibliography in English Winner of the 2020 Verbruggen prize awarded annually by the De Re Militari society for the best book on medieval military history The awarding committee commented that the book has an enormous range and yet is exceptionally scholarly with a fine grasp of detail Its title points to a general history of eastern Europe but it is dominated by military episodes which make it of the highest value to anybody writing about war and warring in this very neglected area of Europe See inside the book

Europe Thomas M. Wilson, 2023-11-30 This two volume encyclopedia profiles the contemporary culture and society of every country in Europe Each country receives a chapter encompassing such topics as religion lifestyle and leisure standard of living cuisine gender roles relationships dress music visual arts and architecture This authoritative and comprehensive encyclopedia provides readers with richly detailed entries on the 45 nations that comprise modern Europe Each country profile looks at elements of contemporary life related to family and work including popular pastimes customs beliefs and attitudes Students can make cross cultural comparisons for instance a student could compare social customs in Denmark with those in Norway compare Greece s cuisine with that of Italy and contrast the architecture of Paris with Amsterdam and Barcelona Culture and society are changing in each region and nation of Europe due to many political and economic forces both inside and outside of each nation s borders This encyclopedia considers many of the transformations connected to globalization as well as traditions that still hold strong to provide a complete assessment of the processes that make European societies and cultures distinctive

East European Accessions List Library of Congress. Processing Department, 1954

Balkan Worlds: The First and Last Europe Traian Stoianovich, 2015-05-20
Encompassing the period from the Neolithic era to the troubled present this book studies the peoples societies and cultures of the area situated between the Adriatic Sea in the west and the Black Sea in the east between the Alpine region and Danube basin in the north and the Aegean Sea in the south This is not a conventional history of the Balkans Drawing upon archaeology anthropology economics psychology and linguistics as well as history the author has attempted a total history that integrates as many as possible of the avenues and categories of the Balkan experience

Churches and Religion in the Second World War Jan Bank, Lieve Gevers, 2016-03-24 Despite the wealth of historical literature on the Second World War the subject of religion and churches in occupied Europe has been undervalued until now This critical European history is unique in delivering a rich and detailed analysis of churches and religion during the Second World War looking at the

Christian religions of occupied Europe Catholicism Lutheranism Calvinism and Orthodoxy The authors engage with key themes such as relations between religious institutions and the occupying forces religion as a key factor in national identity and resistance theological answers to the Fascist and National Socialist ideologies especially in terms of the persecution of the Jews Christians as bystanders or protectors in the Holocaust and religious life during the war Churches and Religion in the Second World War will be of great value to students and scholars of European history the Second World War and religion and theology

Rulers and Rulership in the Arc of Medieval Europe, 1000-1200 Christian Raffensperger, 2023-08-24 *Rulers and Rulership in the Arc of Medieval Europe* challenges the dominant paradigm of what rulership is and who rulers are by decentering the narrative and providing a broad swath of examples from throughout medieval Europe Within that territory the prevalent idea of monarchy and kingship is overturned in favor of a broad definition of rulership This book will demonstrate to the reader that the way in which medieval Europe has been constructed in both the popular and scholarly imaginations is incorrect Instead of a king we have

multiple rulers male and female ruling concurrently Instead of an independent church or a church striving for supremacy under the Gregorian Reform we have a pope and ecclesiastical leaders making deals with secular rulers and an in depth interconnection between the two Finally instead of a strong centralizing polity growing into statehood we see weak rulers working hand in glove with weak subordinates to make the polity as a whole function Medievalists Byzantinists and Slavists typically operate in isolation from one another They do not read each other s books or engage with each other s work This book requires engagement from all of them to point out that the medieval Europe that they work in is one and the same and demands collaboration to best understand it *Encyclopedia of Global Religion* Mark Juergensmeyer,Wade Clark

Roof,2011-10-18 The multi volume Encyclopedia of Global Religion provides a comprehensive overview of the globalization of religious culture and society around the world in both its historical and contemporary aspects The encyclopedia includes topics related to the diaspora of cultures and dispersions of peoples the transitional aspects of religious ideas and practices the cultural diversity of religious traditions and the responses of religion both negative and positive to multicultural society The volumes include essays on the contemporary religious society of every country in the world The contributors to the encyclopedia are leading authorities on these topics from around the world The editors Mark Juergensmeyer and Wade Clark Roof are sociologists of religion at the University of California Santa Barbara **The New Serbian Question** Pasquale De

Marco,2025-05-22 The Serbian question is one of the most pressing issues facing the Balkans today In this book we explore the historical political and social factors that have shaped the Serbian question and we consider the possible futures for Serbia in the 21st century Serbia is a country with a rich and complex history The Serbian people began to awaken to their national identity in the 19th century and in 1878 Serbia gained its independence from the Ottoman Empire In 1918 Serbia became part of the Kingdom of Serbs Croats and Slovenes later known as Yugoslavia Yugoslavia was a diverse and complex country and the Serbian question was one of the many challenges that it faced The breakup of Yugoslavia in the 1990s was a violent and bloody affair and the Serbs were one of the main belligerents in the Yugoslav Wars The breakup of Yugoslavia left Serbia a much smaller and weaker country and the Serbian question is still a pressing issue today Serbia faces a number of challenges including economic problems political instability and ethnic tensions The future of Serbia is uncertain but it is clear that the Serbian question will continue to be a major factor in the Balkans for many years to come This book provides a comprehensive overview of the Serbian question covering the following topics The historical roots of the Serbian question The breakup of Yugoslavia and its impact on Serbia The challenges facing Serbia today The possible futures for Serbia in the 21st century This book is essential reading for anyone who wants to understand the complex history and politics of the Balkans It is also a valuable resource for policymakers journalists and anyone else who is interested in the future of Serbia If you like this book write a review on google books **Medieval East Central and Eastern Europe** Florin Curta,Sebastien

Rossignol,2025-07-15 From Bohemia to Rus and from the White Sea to the Balkans Medieval East Central and Eastern

Europe by Florin Curta and S bastien Rossignol covers the medieval history of a large area This groundbreaking textbook is an important introduction for students and an essential tool for instructors of courses on the Middle Ages and the entire eastern half of Europe With elements of medieval archaeology Medieval East Central and Eastern Europe includes dynastic characters political legacies and a list of suggested readings for anyone interested in learning more about the history of these regions Written in an accessible style that appeals to a general reader this textbook explicates the diversity of historical experiences available in these parts of Europe during the Middle Ages from the influence of Byzantine traditions in the Balkans to the integration of Western cultures and the impact of the Eurasian steppe lands This text highlights the distinct social and cultural characteristics that shaped these societies including the persistence of nomadic groups the limited reach of feudalism and the enduring presence of pagan Jewish and Muslim communities Structured with chronological overviews and thematic chapters Medieval East Central and Eastern Europe is an invaluable resource on underrepresented regions for specialists and non specialists alike
