147 Traditional Stories for Primary School Children to Retell. Chris Smith,2014-08-11
Myths That Every Child Should Know Hamilton Mabie,2010-09-23 There are wonderful stories that were written by various authors over the years They have been edited and compiled by Hamilton Wright Mabie The book was originally published in the early 1900 s and contains such stories as The Three Golden Apples The Pomegranate Seeds The Golden Touch The Cyclops and many many more It s very interesting to see what was considered required for children almost 100 years ago The first story deals directly with death and the need for this obviously stems from the fact that many children died when they were young We have only included one illustration on the interior of the book for ease of use by Kindle readers but there are nice color illustrations on the front and back covers

50 Myths and Lies That Threaten America's Public Schools David C. Berliner, Gene V. Glass,2014-03-07 This book is guaranteed to spark lively debates and critical thinking in any classroom Two of the most respected voices in education identify 50 myths and lies that threaten America s public schools Berliner and Glass argue that many citizens conception of K12 public education in the United States is more myth than reality Warped opinions about our nations public schools include they are inferior to private schools they are among the worst in the world in math and science teachers should be fired if their students dont score at the national average and on and on With more than a little humor Berliner and Glass separate fact from fiction in this comprehensive look at modern education reform They explain how the mythical failure of public education has been created and perpetuated in large part by political and economic interests who stand to gain from its destruction They expose a rapidly expanding variety of organizations and media that intentionally misrepresent facts Where appropriate they name the promoters of the hoax and point out how their interests are served by encouraging false beliefs Their method of debunking these falsehoods is to argue against their logic criticize the data supporting them and present more credible contradictory data This dynamic book features short essays on important topics to provide every teacher administrator school board member and concerned parent with reliable knowledge from authoritative sources

Minor Mythologies as Popular Literature Richard Pine,2018-10-01 This is the first single author study of the genres and roots of popular literature in its relation to film and television exploring the effects of academic snobbery on the teaching of popular literature Designed for classroom use by students of literature and film and their teachers it offers case studies in quest literature detective fiction the status of the outlaw and outsider and the interdependence of self other and the uncanny It challenges perceived notions of and prejudices against popular literature and affirms its connection with the deepest human experiences

Civil Society's Education Christopher Winch, 2025-01-23 This book examines the relationship between the educational activities of civil society and those of the state via three case studies in vocational education political education and educational markets Winch argues that the narrower educational activities of the state cannot be understood independently of those that take place in civil society which consists of institutions such as families churches businesses trade unions charities and political associations Drawing on arguments and ideas in the work of Hume Wittgenstein Rhees Vico Hegel and Gramsci and building on the work of authors such as Bakhurst Roedl and Hamlyn the book breaks new ground in offering a philosophical account of civil society and the place of education within it It is relevant to a range of societies including those without a state or where the state has little influence located in geographically and temporally diverse contexts

Handbook of Research on Translating Myth and Reality in Women Imagery Across Disciplines Ciolăneanu, Roxana, Marinescu, Roxana-Elisabeta, 2020-11-13 Women have been represented in art literature music and more for decades with the image of the woman changing through time and across cultures However rarely has a multidisciplinary approach been taken to examine this imagery and challenge and possibly reinterpret old women related myths and other taken for granted aspects e g grammatically inclusive gender Moreover this approach can better place the ideologies as myth creators and propagators identify and deconstruct stereotypes and prejudices and compare them across cultures with the view to spot universal vs culturally specific approaches as far as women s studies and interpretations are concerned It is important to gather these perspectives to translate and unveil new interpretations to old ideas about women and the feminine that are universally accepted as absolute impossible to challenge and invalidated truths The Handbook of Research on Translating Myth and Reality in Women Imagery Across Disciplines is a comprehensive reference book that provides an interdisciplinary and multidisciplinary perspective on the perception and reception of women across time and space It tackles various perspectives gender studies linguistic studies literature and cultural studies discourse analysis philosophy anthropology sociology etc Its main objective is to present new approaches and propose new answers to old questions related to gender inequalities stereotypes and prejudices about women and their place in the world Covering significant themes that include the ethics of embodiment myth of motherhood at the crossroad of ideologies translation of women s experiences and ideas across cultures and discourses on women s rehabilitation and dignification across centuries this book is critical for linguists professionals researchers academicians and students working in the fields of women s studies gender studies cultural studies and literature as well as other related categories such as political studies education studies philosophy and the social sciences
