The search for his missing men leads Geary on a far-flung chase ultimately ending at the one spot in space from which all humans have been banned: the moon Europa. Any ship that lands there must stay or be destroyed, leaving Geary to face the most profound moral dilemma of his life. To make matters worse, strains on the Alliance are growing as the Syndics continue to meddle. Geary is ordered to take a small force to the border of Syndic space. But what he finds there is a danger much greater than anyone expected: a mysterious threat that could finally force the Alliance to its knees. **Amazing World War II Stories** B. A.
