Nadine Mrs. Campbell Praed, 1883 The Pickup Nadine Gordimer, 2002-10-07 Longlisted for the 2002 Booker Prize the compelling story of a relationship between a young white South African woman and a young Arab man

Conversations with Nadine Gordimer Nadine Gordimer, 1990 Conversations with Nadine Gordimer edited by Nancy Topping Bazin and Marilyn Dallman Seymour Nadine Gordimer is one of the contemporary world's most admired writers of novels and short stories This volume collects three decades of her interviews In them she presents her attitudes toward her art and its interconnection with the oppressive volatile politics in her native land She has traveled extensively to other countries only to discover that no matter how white her skin she is indeed African and the only country she can call home is South Africa If you write honestly about life in South Africa apartheid damns itself she says She is ruthlessly honest and her fiction has played the vital role of communicating in detail to the rest of the world the effects of apartheid upon the daily lives of the South African people To maintain her integrity she writes as though she were dead without any thought of how anyone will react to what she has written She remains heroically undaunted both by the banning of three of her novels by the white government and by the protests of radical blacks who assert that whites cannot write convincingly about blacks She is concerned neither with the image of blacks nor with the image of whites only with revealing the complexity the full truth This truth condemns the racism upon which apartheid is built In her nine novels and eight volumes of short stories Gordimer digs deeper and deeper until she has thematic layers These include betrayal political sexual every form and power the way human beings use power in their relationships Her accounts in these interviews of how she works and of which writers she admires will fascinate readers scholars teachers and students alike Co editors Nancy Topping Bazin retired from the faculty of the English and women's studies departments at Old Dominion University and Marilyn Dallman Seymour retired from the staff of the Government Publications Department of the Old Dominion University Library *None to Accompany Me* Nadine Gordimer, 2004-02-01 *None to Accompany Me* is arresting and reverberant perhaps the most powerful novel to date by one of the world's most commanding writers In an extraordinary period immediately before the first non racial election and the beginning of majority rule in South Africa Vera Stark the protagonist of Nadine Gordimer's passionate novel weaves a ruthless interpretation of her own past into her participation into the present as a lawyer representing blacks in the struggle to reclaim the land **Jump and Other Stories** Nadine Gordimer, 2012-03-15 In this collection of sixteen stories Gordimer brings unforgettable characters from every corner of society to life a child refugee fleeing civil war in Mozambique a black activist's deserted wife longing for better times a rich safari party indulging themselves while lionesses circle their lodge *Jump* is a vivid disturbing and rewarding portrait of life in South Africa under apartheid **Addiction, Representation and the Experimental Novel, 1985-2015** Heath A. Diehl, 2020-12-15 Since the nineteenth century the Western realistic novel has persistently represented the addict as a morally toxic force bent on destroying the institutions practices and ideologies

that historically have connoted reason order civilization Addiction Representation undertakes an investigation into an alternative literary tradition that unsettles this limited portrayal of the addict The book analyzes the practices and politics of reading the experimental addiction novel and outlines both a practice and an ethics of reading that advocates for a more compassionate response to both diegetic and extra diegetic addicts an approach that at its core is focused on understanding

The Novels of Nadine Gordimer Stephen Clingman,1993 The novels and short stories of Nadine Gordimer are acclaimed throughout the world In 1991 she was awarded the Nobel Prize for Literature Yet until Stephen Clingman s study of her work few will have been aware of how deeply it has responded to the history of South Africa over the past forty years This study traces that history Drawing out the central themes of her work the book follows a developing consciousness of history through Gordimer s novels to contribute towards a history of consciousness in South Africa Major periods and events are covered from the political triumph of the National Party in 1948 to the vibrant social and political world of the fifties from the Sharpeville massacre of 1960 to the Soweto Revolt of 1976 and beyond For Gordimer s many readers this book will provide an illuminating guide to an author whose work mirrors and reflects the turbulence of South African history as well as of our own times Nadine Gordimer s novels include The Conservationist joint winner of the 1974 Booker Prize Burger s Daughter July s People A Sport of Nature and My Son s Story Among her collections of short stories are A Soldier s Embrace Something O Imagination and the Contemporary Novel John J. Su,2011-05-26 Imagination and the Contemporary Novel

examines the global preoccupation with the imagination among literary authors with ties to former colonies of the British Empire since the 1960s John Su draws on a wide range of authors including Peter Ackroyd Monica Ali Julian Barnes Andr Brink J M Coetzee John Fowles Amitav Ghosh Nadine Gordimer Hanif Kureishi Salman Rushdie and Zadie Smith This study rehabilitates the category of imagination in order to understand a broad range of contemporary Anglophone literature The responses of such literature to shifts in global capitalism have often been misunderstood by the dominant categories of literary studies the postmodern and the postcolonial As both an insightful critique into the themes that drive a range of today s best novelists and a bold restatement of what the imagination is and what it means for contemporary culture this book breaks new ground in the study of twenty first century literature **The Later Fiction of Nadine Gordimer** Bruce

King,2016-01-30 Nobel Prizewinner Nadine Gordimer s novels and short stories from The Conservationist to Jump have been her best and most controversial work This new book examine such topics as the autobiographical basis of her fiction her relationship to feminism the place of the white woman in black Africa the ambiguity of revolutionary politics her ambivalent relationship to Judaism her use of irony the symbolism of landscape and the ways in which she has revised recurring topics throughout her career as a writer **My Son's Story** Nadine Gordimer,2003-11-03 This is a passionate love story love between a man and two women between father and son and something even more demanding a love of freedom
