The Materiality of Narrative Dynamics Stefan Iversen, Evan Van Tassell, 2025-06-02 The dynamic nature of storytelling has long been one of the major concerns of narrative research but relatively little scholarship has engaged with the relationship between storytelling dynamics and the underlying material forms of cultural texts This volume seeks to remedy this by asking questions such as How might the affordances of new media guide audience reception in subtle ways How might the dynamism of legacy media be better recognized when examined through a multimedial lens How do the physical processes of production define the horizons of both authorial activity and audience response The insight that drives these investigations is two fold first that functions and effects of narratives are deeply intertwined with material forces of production distribution and reception and second that an analysis of any specific narrative must include attention to these material matters and how they affect the unfolding of stories over time The chapters in this collection explore interplays between material forces and narrative dynamics across a range of genres and intellectual arenas In doing so they both fill gaps in current methodological frameworks and call attention to the many gaps that are yet to be filled

I'd Kill For That Marcia Talley, 2025-09-23 Each chapter flows smoothly into the next so that it feels like one author wrote this tale Marcia Talley and her dozen cohorts deserve kudos for this successful project Midwest Book Review On the banks of the Truxton River lies Gryphon's Gate a gated community built by Henry Drysdale where the rich and privileged live work and play Tempers flare when Henry's ex decides to develop the adjoining land and environmentalists developers residents and the media clash Then the violence turns ugly a dead body is found on the golf course and Detective Diane Robards is called in to investigate Diane's efforts are thwarted at every turn and as she uncovers the secrets behind the serene facade of Gryphon's Gate she races against the clock to unmask a ruthless killer Featuring contributions from Gayle Lynds Rita Mae Brown Lisa Gardner Linda Fairstein Kay Hooper Kathy Reichs Julie Smith Heather Graham Jennifer Crusie Tina Wainwright Anne Perry and Katherine Neville

"He probably won't shoot you" Mark Mehler, 2021-04-12 Adult Protective Services APS is the social service system charged with aiding older people and disabled adults who are being mistreated by others or cannot meet their own basic needs for health and safety self neglect These are America's most vulnerable citizens and they often suffer for years while remaining largely invisible to the greater world

Written from the inside of APS Mark Mehler's memoir of his seven years as a crisis case manager reveals a world that very few people see and addresses why and how people do this work what they take away from it and the price that they pay to do it Ranging from horrifying to uplifting and bizarrely funny the stories recounted here witness human frailty and disaster and the efforts of some dedicated caseworkers to stem that tide

Sparta's Third Attic War Paul A. Rahe, 2024-11-19 When the great war pitting the Athenians against the Peloponnesians first erupted Pericles told his compatriots that if they kept up their navy focused on the conflict at hand and refrained from wasting their resources on ulterior objects they would win through and Thucydides believed him After Pericles' death however to the historian's dismay the Athenians pursued risky adventures tangential to their struggle with the Spartans and their allies and in Sicily thanks in large part to domestic strife they squandered not one but two great armadas Then in the aftermath of that catastrophe they found themselves bereft of triremes and short of manpower as a coalition formed against them including their Lacedaemonians rivals their longtime allies in the Aegean and the Great King of Achaemenid Persia In Sparta's Third Attic War Paul Rahe examines the armed conflict that followed attending to the impact on its outcome of the internal struggles that took place at Athens at Sparta and at the court of the Great King describing the maneuvers of the wily flexible seductive Athenian turncoat Alcibiades who dominated in turn the counsels of the Spartans the Persians and his fellow Athenians and charting the eventual emergence at Lacedaemon of a commanding figure of helot ancestry named Lysander who formed a close relationship with the younger son of the Great King and in battle outwitted the Athenians at every turn This is a story of grit determination and brilliance on both sides It examines the ambivalence of the Spartans it relates the folly that brought the Athenians down and it traces their ultimate defeat to defects in the policy and vision of Pericles

Writing Without Rules Jeffrey Somers, 2018-06-22 Stop What You're Doing and Write Yes You Write Most writing guides imply or outright state that there's a fixed specific formula or list of rules you must follow to achieve writing and publishing success And all of them are phonies Well not completely There are real applicable techniques and strategies in any writing reference to help you But the idea that there's only one way of writing Nuts With unconventional approaches to the craft fresh angles on novel writing and selling a healthy dose of humor and no promise of refunds *Writing Without Rules* is for those writers who have tried and tried again and are ready to succeed on their own terms In these pages accomplished author Jeff Somers will show you The key to a successful writing career is doing the actual writing no matter the circumstances Fantastic ideas are available everywhere you just need to know how to tap into sources through a variety of approaches Important craft aspects that you should focus on such as characters and dialogue while spending less time on others like setting Effective ways to get published whether it's traditional or self-publishing and how to supplement your income Whether you're a plotter a pantsier or somewhere in between *Writing Without Rules* is for those writers who are looking for a fresh take on tackling the challenge of writing and selling a novel and building a career As Somers will show you it's less about being perfect in everything and more about having the confidence
