necessary the discovery of spiritual truth does require just one very reasonable quality of heart which little children have always possessed Find out just what this basic quality of heart is as you continue your search for spiritual truth within this simple to understand work which only leaves the real spiritual truth left standing **The Kingdom of the Cults** Walter Martin,Ravi Zacharias,2003-10 Newly updated this definitive reference work on major cult systems is the gold standard text on cults with nearly a million copies sold The British National Bibliography Arthur James Wells,2000 **Major Cults and False World Religions** Steve Urick,2011-03-03 Cults and false religions are dangerous They preach a false gospel and lead people into a false spirituality Their victims are kept blinded from the true gospel of Christ while they are held in bondage to whatever false belief system and legalistic practices they must maintain Major Cults and False World Religions reveals several key characteristics that makes them unbiblical It exposes several major cults and false religions that have the majority of the world s population deceived and headed for Hell This book is the result of thirtty four years of evangelism work studying comparative religions and apologetic research and debate It will equip you with a basic understanding of what each group believes and how to clearly discern and refute many of their unscriptural teachings and attacks Wisdom's Friendly Heart Jennifer Hockenbery,2020-09-25 Sixteen hundred years ago Augustine begged his African congregants to think rationally pay attention to evidence and listen to their neighbors He knew this would not be easy He knew that human error is more common than human knowledge He himself had been a member of an elitist cult for nearly ten years and then had spent several years as a skeptic resigned to seeking wealth and honors rather than hoping for truth or goodness He would not be surprised by the rise of white supremacist cults or the nihilistic apathy that have arisen in the post truth era He had seen nativism elitism fear and doubt rise in response to a crisis of hope that truth could be found a crisis that led to the use of physical force rather than educated disputation a crisis that ended in the fall of both Rome and Carthage to Vandals and Visigoths Augustine s response was to preach publically the hope that encouraged him in his own personal quest for a happy life This book examines that hope in Augustine s context until the current moment **False Doctrines** John R Rice,1994-12
