Naked Nagas:

The Naked Nagas Christoph von Fürer-Haimendorf, 1933 **The Naga Ethnic Movement for a Separate Homeland** Namrata Goswami, 2020-01-17 Namrata Goswami's research on the Naga armed ethnic movement offers a compelling narrative on how conflict has affected the daily lives of the Nagas. This volume is an account of the Naga ethnic movement going on in India since 1918 covering both historical and contemporary aspects of the conflict. Based on over a decade of ethnographic work among the Naga rebels and movement zones, personal interviews and secondary data, the author offers insights into how the Naga population perceives their meeting point with the institutions of the Indian state, especially the army and the paramilitary. The book documents what it is like to live in a conflict zone and the restraints and thought processes that it cultivates, especially among the youth. The book reveals gripping stories of tremendous courage and conviction from people who have thought about the political unrest, been born into it, taken part in it, or have been affected by it. *The Naga Ethnic Movement for a Separate Homeland* reflects the Nagas' love for their land, tracing the poignant mix of nature, land, identity, emotions, culture, as well as the inter-ethnic differences that exacerbate the conflict. *Naga Identity* Braj Bihari Kumar, Braja Bihārī Kumāra, 2005 **The Angami Nagas** John Henry Hutton, 1921 **Seekers of the Naked Truth** Paul LeValley, 2018-01-01 Why would I spend a good portion of my time over the last 35 years gathering information on the Gymnosophists? The story begins even earlier. As an undergraduate student in the Flint College of the University of Michigan, I pursued an English major with a strong history minor, always looking for something between the two and rarely finding it. Then, in my practice teaching, I happened into one of the early experimental high school courses in Interdisciplinary Humanities. With the exciting interrelationships between art, literature, music, philosophy, and history, I said YES, this was what I had been looking for. So I pioneered in teaching high school Humanities for the next few years. Interdisciplinary Humanities was a bottom-up movement. Gradually, colleges began offering Masters programs to give teachers the rich background they needed. I decided I was not tied to Michigan where it was cold; I would find the best Masters program in Humanities anywhere in the world and go there. Well, it turned out that the best Masters program in the world was at Wayne State University in Detroit. Unlike other programs that were really just double majors, Wayne offered truly interdisciplinary classes. Moreover, they offered an Eastern track and a Western track. Knowing that I would never find that Eastern track anywhere else, I studied interdisciplinary courses in the cultures of India, China, Japan, and Egypt. The middle-eastern professor was on sabbatical when I was there; I especially liked India, perhaps because I had already travelled around the world and India impressed me the most. **A History of the Dasnami Naga Sannyasis** Ananda Bhattacharyya, 2018-03-05 Organized Naga military activity originally flourished under state patronage. During the latter half of the sixteenth century and the early part of the seventeenth century, a number of bands of fighting ascetics formed into akharas with sectarian names and identities. The Dasnami Sannyasis constitute perhaps the most powerful monastic order

which has played an important part in the history of India The cult of the naked Nagas has a long history The present volume aims to explore new findings which are available in various archives and repositories in order to fill up the lacuna in Jadunath Sarkar s work on the subject as elaborated in the present introduction Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka *Change and Development in Phom Naga Society* A. Rahman,2015-01-01 *Change and Development in Phom Naga Society* is a comprehensive book which describes the various socio political aspects of the Phom Naga Tribe of Nagaland The book throws light on the topographical and demographic character of Longleng district the home of the Phoms along with their traditional beliefs customs and institutions and also their stages of migration to the present domicile The study highlights the emergence of the Phom identity and their relations with the neighbours Elaborate discussions are made especially on the social change economic transformation from traditional to a modern economy administrative and political development of the people with references to their role in the political process of the state since independence Assessing the pace of development that has been witnessed in the Phom inhabited areas over the bygone decades the author tries to trace the internal and external challenges which the society has been facing The book will definitely be useful to researchers planners policy makers and social workers **Tribal Populations and Cultures of the Indian Subcontinent** C. von Fürer-Haimendorf,2022-03-07 *In the Shadows of Naga Insurgency* Jelle J.P. Wouters,2018-05-08 *In the Shadows of Naga Insurgency* is a fine grained critique of the Naga struggle for political redemption the state s response to it and the social corollaries and carry overs of protracted political conflict on everyday life Offering an ethnographic underview Jelle Wouters illustrates an insurgency complex that reveals how embodied experiences of resistance and state aggression violence and volatility and struggle and suffering link together to shape social norms animate local agitations and complicate inter personal and inter tribal relations in expected and unexpected ways The book locates the historical experiences and agency of the Naga people and relates these to ordinary villagers perceptions actions and moral reasoning vis vis both the Naga Movement and the state and its lucrative resources It thus presses us to rethink our views on tribalism conflict and ceasefire development corruption and democratic politics **Assam District Gazetteers: Naga Hills and Manipur** Basil Copleston Allen,1905
