Heart- Impulsive Behavior Rebecca Dawson,2014-04-01 Do you know an impulsive child One who is full of exaggerations quick to respond careless with words and acts without thinking Do you have a child who gets out of his seat regularly while he s not suppose to interrupts conversations or jumps to the front of the line uninvited Impulsiveness is the quick natural response for these kids They might do all these things and more keep in mind they generally do them rapidly Nevertheless in the very same breathe impulsive kids can be quick to defend remorseful for poor decisions and able to leap over obstacles in a single bound There s a gift for us to discover in impulsiveness The disciple Peter emulates both the strengths and weaknesses of impulsive behavior Impulsiveness had Peter rushing into the water to meet Jesus while also quickly cutting off a soldier s ear He was quick to defend responded without thinking and passionate beyond words His impulsiveness allowed

him to experience the miracle of walking on water while everyone else watched him from inside the boat The beauty of Peter's impulsiveness is displayed within his life Peter's impulsiveness allowed him to experience close encounters with God He's authentic and real He's growing and he's a challenge But in the end he's solid and the guy others wanted to follow
