B. Alexander, 2016-07-14 From 2003 to 2007 Nantucket Island had a walking tour unlike any other The Nantucket Haunted Hike was a ghost tour beloved by many but tormented by a town that bowed down to the wealthy that wanted it gone due to prejudicial attitudes The guide fought by whatever means necessary to stay afloat Even with famous actors plugging for him the town decided to put roadblocks in his way year after year in order to put him out of business This is the true story of The Nantucket Haunted Hike and the living nightmare it went through in its four years in business **Haunted Places** Dennis William Hauck, 2002

Describes over 2 000 sites of supernatural occurrences in the United States including places visited by ghosts UFOs and unusual creatures **Lighthouse Hauntings** Charles Waugh, Martin Greenberg, 2002-01-01 What is it about lighthouses that stirs the heart and sparks the imagination Built for strength and permanence they are nonetheless always vulnerable We look to them for guidance and reassurance yet never quite lose the feeling of being watched when near them Their keepers work tirelessly to serve humanity protecting many hundreds of lives each year yet they themselves are isolated from other people And of course we are ever aware that these often remote outposts can be unforgiving of human frailties so inevitably they become the setting for tragedy and consequently for spirits that linger at the site of their ruined hopes their sufferings and their obsessions In Lighthouse Hauntings a dozen contemporary authors spin an intriguing mix of supernatural tales around this evocative theme Some of these never before published stories are just plain creepy others are mystifying or metaphysical even heartwarming but all are vividly memorable
