Napoleon The First An Intimate Biography:

Napoleon the First, an Intimate Biography Walter Geer, 2015-06-16 Excerpt from Napoleon the First an Intimate Biography Of books and memories about Napoleon there is no end but there are comparatively few which give an unprejudiced picture of the man For the most part no judgment has been passed upon him but that either of profound antipathy or of blind admiration The books published about him during his life and for many years after his death have but little value The idolatry and hatred which he inspired survived him too long to allow of an unbiased view It has been his fate in death as in life to stir the hearts of men to their depths Now that one hundred years have elapsed since the long drawn agony of Saint Helena we think that the time has come for a more impartial estimate Facts are clearer motives are better known much new evidence is available Let us then endeavor to depict Napoleon as he was and nothing extenuate nor set down aught in malice About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Napoleon the First; an Intimate Biography Walter Geer, 2025-05-22 Napoleon the First an Intimate Biography by Walter Geer offers a compelling portrait of one of history's most significant figures Delving beyond the battlefield this biography seeks to reveal the man behind the military genius exploring his personal life motivations and the intricacies of his character Drawing upon a wealth of historical sources Geer paints a detailed picture of Napoleon's rise to power his reign as Emperor and the ultimate downfall that shaped his legacy This biography provides insights into the political landscape of 19th century Europe and the impact of Napoleon's ambition on the continent Readers interested in French history military strategy and the lives of influential leaders will find this an engaging and informative read Geer's intimate portrayal offers a fresh perspective on a figure whose influence continues to resonate today This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the

preservation process and thank you for being an important part of keeping this knowledge alive and relevant
