*Armies of the Napoleonic Wars* Gregory Fremont-Barnes, 2011-02-07 This authoritative military reference provides detailed analysis of the various armed forces that fought in the Napoleonic Wars The Napoleonic Wars were some of the most devastating and consequential in modern European history Yet for all the attention paid to these dramatic conflicts little focus is given to the composition organization and fighting efficiency of the armies who fought them Each force tends to be examined in isolation either in the context of an individual battle or as the instrument of a single commander Rarely have these armies been studied together in a single volume as they are in this fascinating reassessment edited by Gregory Fremont Barnes Leading experts on the Napoleonic Wars have been specially commissioned to produce an in depth analysis of a specific army The result is a vivid comparative portrait of ten of the most significant armies of the period and of military service and warfare in the early nineteenth century The volume covers the armies of Austria Britain the Confederation of the Rhine the Duchy of Warsaw France the Kingdom of Italy Portugal Prussia Russia and Spain Translations and Reprints from the Original Sources of European History University of Pennsylvania.
