Nappy Aliona L. Gibson, 1995 As an eloquent rendering of the experiences of black women coming of age in America Gibson's memoirs strike to the heart of a generation in transition and resonate with its wit and its troubles Using her personal experiences Gibson examines how American standards of beauty affect women of color and their struggles for self acceptance

Interracial Intimacies Randall Kennedy, 2012-09-12 With the same piercing intelligence as the bestselling *Say It Loud* *Interracial Intimacies* hits a nerve at the center of American society race relations and our most intimate ties to each other The best book written on the subject an exhaustive source of deep rich scholarship and surefooted brilliant analysis *Seattle Times* Analyzing the tremendous changes in the history of America's racial dynamics Randall Kennedy challenges us to examine how prejudices and biases still fuel fears and inform our sexual marital and family choices He takes us from the injustices of the slave era up to present day battles over race matching adoption policies which seek to pair children with adults of the same race He tackles such subjects as the presence of sex in racial politics the historic role of legal institutions in policing racial boundaries and the real and imagined pleasures that have attended interracial intimacy A bracing much needed look at the way we have lived in the past *Interracial Intimacies* is also a hopeful book offering a potent vision of our future as a multiracial democracy

Feminist Frontiers Verta Taylor, Leila J. Rupp, Alison Dahl Crossley, Nancy E. Whittier, 2025-10-16 *Feminist Frontiers* eleventh edition is an intersectional and interdisciplinary

introduction to the field of women's gender and sexuality studies. Featuring both classic readings and cutting edge feminist writings on urgent and timely topics, it offers a comprehensive framework for analyzing gender, society, and culture. Organized into seven parts, the book opens with the foundations of feminism, including definitions of gender and sex, the concept of privilege, and the complexities of intersectional feminist research. The book then introduces students to key readings in culture and socialization, sex, families, and relationships, bodies, work, violence, and closes with a set of readings on feminist activism. Section opening introductions introduce key ideas and encourage students to think both critically and self-reflexively before beginning the unit, while introductions to each reading offer further context. Discussion questions foster engaging classroom conversations and encourage readers to apply concepts from the book to their own lives. Combining research articles with shorter essays, blogs, and other online writings written by academics and well-known feminist intellectuals, the book offers multiple levels of entry that meet the needs of students with varied backgrounds and learning styles. The eleventh edition features twenty-nine new readings to showcase all of today's most important issues. New to this edition: Twenty-nine new selections offer both up-to-date research on previously explored topics as well as new inclusions responding to current attacks on women, people of color, and LGBTQ communities. Expanded range of topics in the section: Violence explores interpersonal violence as well as collective violence faced by many groups today. Article summaries at the beginning of each chapter bookended with an increased number of discussion questions supplement reading and deepen engagement with the material. Updated seven-part structure offers instructors a compact yet thorough organization for a course.

The Politics of Black Hair Online Coursebook Donna Kakonge, PhD Student, 2011-07-05 This is an example of Donna Kakonge's online teaching work.

The Tragic Black Buck Carlyle Van Thompson, 2004 The new edition of *The Tragic Black Buck: Racial Masquerading in the American Literary Imagination* offers a fresh perspective on this trail-blazing scholarship and the singular importance of F. Scott Fitzgerald's *The Great Gatsby* as a challenge to the racial hegemony of biological white supremacy. Fitzgerald convincingly and boldly shows how racial passing by light-skinned Black individuals becomes the most fascinating literary trope associated with democracy and the enduring desire for the American Dream.

Afro Forever Donna Kay Cindy Kakonge, 2017-03-02 Transformation In Loree's Beauty Shop hot combs sizzled against wet, oily scalps branding grown woman fantasies into tender young heads. Thick, busy afros became long, glossy black curls transforming natural Black queens into commercial mahogany princesses.

Boyd 14 This poem by Julia Boyd from *In the Company of My Sisters* is tragic, but it happens all the time. Afros and natural hair is transformed into something artificial: fake boobs, fake hair. Men don't seem to care whether a woman is real or false. The hair salon is the main site where the transformation happens. This paper accompanies the web-based project *Salon Utopia*, now defunct, that aimed to transform its clients in a natural way. In the virtual realm, it is not yet possible to do any hairstyles to transform anyone, but the site did aid in transforming the source of where hair comes from: the mind.

The Politics of African-American Women's Beauty in Ebony Magazine

Monika N. Gosin, 2004 **On Racial Frontiers** Gregory Stephens, 1999-06-28 Frederick Douglass Ralph Ellison and Bob Marley each inhabited the shared but contested space at the frontiers of race Gregory Stephens shows how their interactions with mixed audiences made them key figures in a previously hidden interracial consciousness and culture and integrative ancestors who can be claimed by more than one racial or national group Douglass something of an Irishman as well as a Negro was an abolitionist but also a critic of black racialism Ellison's *Invisible Man* is a landmark of modernity and black literature which illustrates the true interrelatedness of blackness and whiteness Marley's allegiance was to God's side who cause me to come from black and white His Bible based *Songs of Freedom* envisage a world in which black liberation and multiracial redemption co exist The lives of these three men illustrate how our notions of race have been constructed out of a repression of the interracial
