The Narrative of Arthur Gordon Pym of Nantucket and Related Tales Edgar Allan Poe, 2020 The Narrative of Arthur Gordon Pym is an archetypal American story of escape from home and family which traces a young man's rite of passage through a series of terrible brushes with death during a fateful sea voyage But it also goes much deeper as Pym encounters various interpretative dilemmas at last leaving the reader with a broken off ending that defies solution Apart from its violence and mystery the tale calls attention to the act of writing and to the problem of representing truth Layer upon layer of elaborate hoaxes include its author's own role of posing as ghost writer of the narrative Pym his only novel has become the key text for our understanding of Poe This edition offers eight short tales which are linked to Pym by their treatment of persistent themes fantastic voyages gigantic whirlpools and premature burials or by their ironic commentary on Poe's mystification of his readers *The Narrative of Arthur Gordon Pym of Nantucket* Edgar Allan Poe Edgar Allen Poe, 2018-03-11 Upon my return to the United States a few months ago after the extraordinary series

of adventure in the South Seas and elsewhere of which an account is given in the following pages accident threw me into the society of several gentlemen in Richmond Va who felt deep interest in all matters relating to the regions I had visited and who were constantly urging it upon me as a duty to give my narrative to the public I had several reasons however for declining to do so some of which were of a nature altogether private and concern no person but myself others not so much so

The Vampyre and Other Tales of the Macabre John Polidori, 2008-09-11 Upon her neck and breast was blood and upon her throat were the marks of teeth having opened the vein to this the men pointed crying simultaneously struck with horror a Vampyre a Vampyre John Polidori's classic tale of the vampyre was a product of the same ghost story competition that produced Mary Shelley's Frankenstein Set in Italy Greece and London Polidori's tales is a reaction to the dominating presence of his employer Lord Byron and transformed the figure of the vampire from the bestial ghoul of earlier mythologies into the glamorous aristocrat whose violence and sexual allure make him literally a lady killer Polidori's tale introduced the vampire into English fiction and launched a vampire craze that has never subsided The Vampyre was first published in 1819 in the London New Monthly Magazine The present volume selects thirteen other tales of the macabre first published in the leading London and Dublin magazines between 1819 and 1838 including Edward Bulwer's chilling account of the doppelganger Letitia Landon's elegant reworking of the Gothic romance William Carleton's terrifying description of an actual lynching and James Hogg's ghoulish exploitation of the cholera epidemic of 1831 2 ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

The Waves Virginia Woolf, 2015 I who would wish to feel close over me the protective waves of the ordinary catch with the tail of my eye some far horizon Intensely visionary yet absorbed with the everyday experimental daring and challenging The Waves is regarded by many as Virginia Woolf's greatest achievement It follows a set of six friends from childhood to middle age as they experience the world around them and explore who they are and what it means to be alive As the contours of their lives are revealed a unique novel is slowly unveiled Enfolded within Woolf's lyrical and mysterious language the mundane takes on a startling new significance while distant pasts are no less in play than the clamorous sounds and kaleidoscopic sights of the modern city Yet precisely where the alluringly enigmatic pages of The Waves are leading and what deeper meanings are held within its undulant chapters and shimmering interludes are questions that have never ceased to enthrall readers and critics alike In this new edition David Bradshaw considers the spellbinding oddness and originality of The Waves helping the reader to negotiate a way though this most poetic and haunting of novels Features A new edition of Woolf's novel regarded by many as her greatest achievement Edited by David Bradshaw a distinguished Woolf scholar and editor of acclaimed editions of Mrs Dalloway To the Lighthouse The Mark on the Wall and

Other Stories and Woolf's Selected Essays Draws on the latest scholarship for the introduction and notes which help to orient the reader through the novel's complexity Up to date bibliography Full and helpful chronology Biographical preface by Frank Kermode New to this edition Introduction by David Bradshaw Revised and updated Select Bibliography Fuller chronology New and expanded notes Re-set text for improved appearance Edited by David Bradshaw University of Oxford Publisher's note

The Ambassadors Henry James, 1998-05-21 Sent to Paris by a wealthy matron to retrieve her son Strether becomes sidetracked by intriguing complications

The Oxford Shakespeare: The Tragedy of Macbeth William Shakespeare, 2008-04-17 Dark and violent Macbeth is also the most theatrically spectacular of Shakespeare's tragedies Indeed for 250 years until early this century it was performed with grand operatic additions set to baroque music In his introduction Nicholas Brooke relates the play's changing fortunes to changes within society and the theatre and investigates the sources of its enduring appeal He examines its many layers of illusion and interprets its linguistic turns and echoes arguing that the earliest surviving text is an adaptation perhaps carried out by Shakespeare himself in collaboration with Thomas Middleton This fully annotated edition reconsiders textual and staging problems appraises past and present critical views and represents a major contribution to our understanding of Macbeth ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Kew Gardens and Other Short Fiction Virginia Woolf, 2022-03-31 The ponderous woman looked through the pattern of falling words at the flowers standing cool firm and upright in the earth with a curious expression So heavy the woman came to a standstill opposite the oval shaped flowerbed and ceased even to pretend to listen to what the other woman was saying Virginia Woolf's short fiction has long been acknowledged as the place where she tried out some of her more experimental techniques before adopting and adapting them for use in her novel length works While this is certainly true it is also the case that these short pieces are now increasingly being recognized as important works of art in their own right rather than simply flights of experimental fancy awaiting their full actualization in the novel form This new edition edited by Bryony Randall emphasises the startling variety in Woolf's experimentation during the most productive period of short fiction writing in Woolf's life the late 1910s through to the end of the 1920s It draws readers attention to the deep political engagements evident across the range of her work and on the recent burgeoning of work in modernist print culture to set out the importance of the material context of these works initial publication and reception

Wieland; Or the Transformation and Memoirs of Carwin, the Biloquist Charles Brockden Brown, 1998 One of the earliest American novels Wieland 1798 is a tale of suspense and intrigue that explores some of the most important issues vital to the survival of democracy in the new American republic
