Natural Methods For Equine Health

Mary W. Bromiley

Natural Methods For Equine Health:

Natural Methods for Equine Health and Performance Mary Bromiley, 2009-03-16 *Natural Methods for Equine Health and Performance* Second Edition presents an overview of a natural approach to horse care and management for the 21st century. It provides sensible and readable advice on natural horsemanship contrasting natural and domestic habitats. A range of holistic methods of treatment are covered including acupuncture, massage, herbalism, homeopathy, and schooling exercises used by the Classical School. Mary Bromiley has an excellent reputation for achieving results using natural methods for muscle re-education. This book will be useful to anyone who owns or routinely works with horses. *Natural Methods for Equine Health* Mary W. Bromiley, 1994

Natural Methods for Equine Health Mary Bromiley, 1994-10-27 Complimentary or alternative therapies are very much in vogue as the world appreciates the problems of relying on chemical drugs. This book introduces the concept of holistic methods of treatment by describing the interaction of the body systems. Herbalism and its practice throughout the ages is explained, including the plants which provide the necessary minerals and vitamins for equine health. The practice of homeopathy is described with suitable remedies and the conditions for which they are appropriate. The application to horses of acupuncture based on traditional Chinese medicine and the necessity for accurate diagnosis and in-depth knowledge are explained. Sections on massage and passive stretching are also included, setting out in detail how the reader can become proficient in both techniques.

Natural Horse Care Pat Coleby, 2013-03-01 This practical and definitive guide explains how to keep horses in excellent health the natural way. The vital roles of correct feed rations, vitamins, and minerals in the health of a horse are fully explained, and practical guidance is given on topics such as selecting the right food, treating ailments with natural remedies, dealing with recovery from injury, and combating equine flu. Trainers, breeders, and horsekeepers of all kinds will benefit enormously from Pat Coleby's many years of experience working with horses in the UK and Australia. She is a qualified vet and also the author.

NATURAL PET CARE

Herbal Horse Health Hetty Tapper, 2012-07-24 The main purpose of this book is to show how we can all learn to help and heal our horses. The aim is to bring healing back to where healing belongs, with everybody. Understanding behaviour and communication is important as they are expressions of energy and are crucial to learning to understand others. In this book, you will discover natural, gentle, and supportive therapies that work in harmony with the healing system to help restore and maintain health. Healing will occur when we work with, not against, the forces of nature that exist within the body. Animals are our teachers, and very often they lead us to a path of discovery that we would not have embarked on without them in our lives. This book will help our descendants and their horses towards a better understanding and a greater mutual respect between the species. Take responsibility for your horse's health and wellbeing. You will find that they not only feel and look better, they will achieve much more and avoid disease and ailments caused by lifestyle and bad diets. Give your horses the happy, healthy, and vibrant lives they deserve. Topics covered include: Herbs, Essential Oils, Essences, Tissue Salts, Materia Medica.

The Complete
