Naukovi Zapiski Serii Istorii:

Handbook on the History and Culture of the Black Sea Region Ninja Bumann, Kerstin S. Jobst, Stefan Rohdewald, Stefan Troebst, 2024-12-30 Following the annexation of Crimea by the Russian Federation in spring 2014 160 years after the Crimean War and the full scale invasion of Ukraine in February 2022 the Black Sea region has again become the focus of world history In this handbook international scholars from various historical and cultural disciplines provide deep historical insights into the structures of conflict cooperation and interrelations between the Balkans the Middle East the Caucasus and Eastern Europe in the space referred to as the Black Sea world The trans maritime communication and intra regional circulations spanning from Antiquity to the present day via Byzantium the Polish Lithuanian Commonwealth the Crimean Khanate the Venetian Safavid Ottoman and Romanov empires two World Wars and the Cold War highlight the autonomy of this historical region in the larger transcontinental setting designated in various times and varying languages as the Pontus Euxinus the Mare Maggiore the Kara Deniz the Chernoe More or the Black Sea This voluminous edition sheds real light upon the history of the Black Sea region from antiquity until the end of the 20th century Not only does this first rate book provide a host of excellent historical essays across time it also devotes considerable attention to important questions regarding how the Black Sea region is conceptualized and theorized A very useful contribution James H Meyer Montana State University In the wake of several research projects monographs and journals this is the first groundbreaking handbook on the cohesive history of the Black Sea as a historical meso region It gathers 39 excellent contributions that provide the conceptual apparatus survey the history of the region from a Greek to Byzantine to Ottoman lake to conflicting rivalries to its recent transformation from a quasi Soviet to a quasi NATO lake examine the ideas that underpin the various national ethnic and religious identities research the different mobilities through migration transport infrastructure and take stock of its turbulent history through conflicts and war Maria Todorova University of Illinois at Urbana Champaign Mostly the work of scholars from Central Europe and the Black Sea region this massive volume focuses on the relationship between historical research and memory in particular the difficulty of certain groups living in the region when confronted with empires and nation states whose centers may be quite distant from the Black Sea Attentive readers may thus view the present handbook not merely as a work of reference on history memory and movement but also as a testimony to the historical perspectives developed by a significant number of Central European and Black Sea scholars during the first quarter of the twenty first century Suraiya Faroghi Ibn Haldun University Istanbul Life and Death in Revolutionary Ukraine Stephen Velychenko, 2021-12-15 Between 1917 and 1923 Ukraine experienced an anti colonial war for national liberation foreign invasion socialist revolution and civil war simultaneously resulting in almost unimaginable civilian casualties In Life and Death in Revolutionary Ukraine Stephen Velychenko surveys the plight of civilians details the socio economic background to the political events that unfolded during this time and documents the country s demographic losses Focusing specifically on two causes of civilian death

deliberate killing and appalling living conditions Velychenko outlines prewar improvements in living conditions and describes their decline after 1917 He examines governmental culpability in civilian death and notes that while ideologies and the inability of leaders to control subordinates were undeniably causes of violence there were other factors at play Velychenko mines previously unused archival sources to create a picture of the social conditions leading up to and during this catastrophic period combining this data with stories and reports from memoirs of the period Readers familiar with the explosion of violence against Jews at this time will find here a compelling framework for understanding the context of that violence
