Nauvoo The City Of Joseph:

Return to the City of Joseph Scott C. Esplin, 2018-11-15 In the mid twentieth century the Church of Jesus Christ of Latter day Saints LDS returned to Nauvoo Illinois home to the thriving religious community led by Joseph Smith before his murder in 1844 The quiet farm town became a major Mormon heritage site visited annually by tens of thousands of people Yet Nauvoo s dramatic restoration proved fraught with conflicts Scott C Esplin s social history looks at how Nauvoo s different groups have sparred over heritage and historical memory The Latter day Saint project brought it into conflict with the Community of Christ the Midwestern branch of Mormonism that had kept a foothold in the town and a claim on its Smith related sites Non Mormon locals meanwhile sought to maintain the historic place of ancestors who had settled in Nauvoo after the Latter day Saints departure Examining the recent and present day struggles to define the town Esplin probes the values of the local groups while placing Nauvoo at the center of Mormonism s attempt to carve a role for itself within the greater narrative of American history Nauvoo : the City of Joseph David E. Fleek,Robert C.

Freeman,2023-04-12 The Mormon military experience is unique in American history The Church of Jesus Christ of Latter day Saints LDS is the only denomination to field military units for its own support and purpose rather than national interests an effort which began in Missouri in 1838 and lasted through the Spanish American War of 1898 From World War I onward however the military exceptionalism of the LDS Church faded and Mormon soldiers came to serve national interests as loyal citizens alongside their fellow Americans The Mormon Military Experience 1838 to the Cold War is the first book to present a historical overview of the Mormon military experience Sherman Fleek and Robert Freeman tell this unique story of how the Church of Jesus Christ of Latter day Saints has experienced war and military service and of their teachings concerning participation in armed conflict The LDS Church s distinct relationship between religious life and military service is rooted in its adherence to the Book of Mormon and its unique doctrine based in ancient and then modern revelations from church leaders Religious and military exceptionalism went hand in hand during the nineteenth century when LDS Church leaders dictated when and how members would serve in armed conflict Mormon militiamen were often more loyal to church interests and the guidance of LDS leaders than they were to government policy from mustering of the Mormon Battalion during the Mexican War to orchestrating the armed effort during the Utah War of 1857 1858 to serving as Civil War volunteers in the West Similarly they followed Church leaders teachings not to serve in the Civil War s bloody campaigns in the East While LDS leaders adapted church practices and policies to support national objectives at times there were also occasions when Mormon militia units defied state and federal military forces sometimes to the point of open combat No other American denomination has done this This is a story about changing loyalties as the LDS Church transformed from a personalist religious movement on the edge of society to a mainstay of American religious and political life Mormons have moved from battling the US military to serving with distinction within it Parley P. Pratt Terryl L. Givens,Matthew J. Grow,2011-09-21 After Joseph Smith and Brigham Young Parley P Pratt was the most influential figure in early Mormon history and culture Missionary pamphleteer theologian historian and martyr Pratt was perennially stalked by controversy regarded he said almost as an Angel by thousands and counted an Imposter by tens of thousands Tracing the life of this colorful figure from his hardscrabble origins in upstate New York to his murder in 1857 Terryl Givens and Matthew Grow explore the crucial role Pratt played in the formation and expansion of early Mormonism One of countless ministers inspired by the antebellum revival movement known as the Second Great Awakening Pratt joined the Mormons in 1830 at the age of twenty three and five years later became a member of the newly formed Quorum of the Twelve Apostles which vaulted him to the forefront of church leadership for the rest of his life Pratt s missionary work reaching from Canada to England from Chile to California won hundreds of followers but even more important were his voluminous writings Through books newspaper articles pamphlets poetry fiction and autobiography Pratt spread the Latter day Saint message battled the many who reviled it and delineated its theology in ways that still shape Mormon thought Drawing on letters journals and other rich archival sources

Givens and Grow examine not only Pratt's writings but also his complex personal life. A polygamist who married a dozen times and fathered thirty children, Pratt took immense joy in his family circle even as his devotion to Mormonism led to long absences that put heavy strains on those he loved. It was during one such absence, a mission trip to the East, that the estranged husband of his twelfth wife shot and killed him, a shocking conclusion to a life that never lacked in drama.

Church History Study Guide, Pt. 3 Randal S. Chase, 2012-05-31 Church History Study Guide Pt 3 Latter Day Prophets Since 1844 This volume is the third of three on Church History and the Doctrine and Covenants. It covers Church history during the administration of all of its Prophet-Prophets since Joseph Smith. It begins with the succession of the Apostles after Joseph Smith's martyrdom, the building of the Nauvoo Temple, and the trek to the west of the Latter-day Saint pioneers. We follow them through Iowa, Winter Quarters, and on to Utah. We witness the colonization of the state of Deseret while the rest of the country suffered from Civil War. Then we follow events through the administrations of all of the 19th Century, 20th Century, and 21st Century prophets from John Taylor to Thomas S. Monson. We become familiar with the early lives, missions, marriages, and callings of each of these prophets, seeing how the Lord prepared them for the particular time that they led the Church. We finish with a look toward the future as we await the Second Coming of our Lord. The cover features a beautiful photograph of the Salt Lake Temple taken at dusk during the Christmas season from the roof of the Joseph Smith Memorial Building.
