**Our Fight Has Just Begun** Cheryl Redhorse Bennett, 2022-03-01 Our

Fight Has Just Begun is a timely and urgent work. The result of more than a decade of research, it revises history, documents anti-Indianism, and gives voice to victims of racial violence. Navajo scholar Cheryl Redhorse Bennett reveals a lesser-known story of Navajo activism and the courageous organizers that confronted racial injustice and inspired generations. Illuminating largely untold stories of hate crimes committed against Native Americans in the Four Corners region of the United States, this work places these stories within a larger history connecting historical violence in the United States to present-day hate crimes. Bennett contends that hate crimes committed against Native Americans have persisted as an extension of an Indian-hating ideology that has existed since colonization, exposing how the justice system has failed Native American victims and families. While this book looks deeply at multiple generations of unnecessary and ongoing pain and violence, it also recognizes that this is a time of uncertainty and hope. The movement to abolish racial injustice and racially motivated violence has gained fierce momentum. Our Fight Has Just Begun shows that racism, hate speech, and hate crimes are ever present and offers recommendations for racial justice.

*Lost Worlds of 1863* W. Dirk Raat, 2022-02-08. A comparative history of the relocation and removal of indigenous societies in the Greater American Southwest during the mid-nineteenth century. *Lost Worlds of 1863: Relocation and Removal of American Indians in the Central Rockies and the Greater Southwest* offers a unique comparative narrative approach to the diaspora experiences of the Apaches, Oodham, and Yaqui in Arizona and Sonora; the Navajo and Yavapai in Arizona; the Shoshone of Utah; the Utes of Colorado; the Northern Paiutes of Nevada and California; and other indigenous communities in the region. Focusing on the events of the year 1863, W. Dirk Raat provides an in-depth examination of the mid-nineteenth-century genocide and devastation of the American Indian. Addressing the loss of both the identity and the sacred landscape of indigenous peoples, the author compares various kinds of relocation between different indigenous groups, ranging from the removal and assimilation policies of the United States government regarding the Navajo and Paiute people to the outright massacre and extermination of the Bear River Shoshone. The book is organized around detailed individual case studies that include extensive histories of the pre-contact Spanish and Mexican worlds that created the context for the pivotal events of 1863. This important volume narrates the history of Indian communities such as the Yavapai, Apache, Oodham, and Navajo both before and after 1863. It addresses how the American Indian has been able to survive genocide and, in some cases, thrive in the present day. It discusses topics including Indian slavery and Lincoln's Emancipation Proclamation, the Yaqui deportation, Apache prisoners of war, and Great Basin tribal politics. It explores Indian ceremonial rites and belief systems to illustrate the relationship between sacred landscapes and personal identity. It features sub-chapters on topics such as the Hopi-Navajo land controversy and Native American boarding schools. It includes numerous maps and illustrations contextualizing the content for readers. *Lost Worlds of 1863: Relocation and Removal of American Indians in the Central Rockies and the Greater Southwest* is essential reading for academics, students, and general readers with interest in Western history, Native American history, and the history of Indian-white relations in the United States and
