participation can strengthen those initiatives by enhancing the community policing measures The study is focussed on Hyderabad There are multiple manifestations of internal security which are both implicit and explicit Communalism has been identified as one of the principal threats to internal security with specific reference to Hyderabad In this background it is highly desirable and required to strengthen community to face any eventualities and encourage working and functional partnership with security and law enforcement agencies especially the police forces Police or community alone cannot manage security concerns In these globalized times strong partnership between community and police is mandatory The book based on primary research tries to establish that community policing can be a significant factor in addressing the internal security threats      *Development Ethics* Prasenjit Maiti,2008 With special reference to India      *Collage* Subhankar Banerjee,2016-07-07 Starting days back to pre independence and covering a millennia in one side Collage portrays those unfortunate and truly evil societal barriers as well as the determined enlightened and young generation of breakers of those barriers It narrates the war ground called Society where the knowledge and morality confronts prejudices and burden of viciousness It depicts those agonies and sacrifices the young generation has to bear when it thrusts to break through the mighty and apparently invincible chains of centuries old chauvinisms In the other side Collage is all about those treasured episodes that depicts how a child born in a lavish family becomes almost an orphan How humiliations from those relations he believed interminable turns him taller stronger and determined to overcome all odds How life teaches him to feel the anguishes of the underprivileged and encourage a feeble boy to become a sturdy man who dares to stand and face the mighty and egotistical lot in the society It narrates how dignity determination and sense of duty makes a man complete But the question remains Does that end there      **First International Conference of the South Asian Society of Criminology and Victimology (SASCV), 15-17 January 2011, Jaipur, Rajasthan, India** K.
