The Nazi Dagger Incident Terrance Dicks,2001 There s a sudden rise in the far right across Europe and it s more than just a political force which is sweeping Europe and the UK Matt and his father are called in when it s discovered that a dagger belonging to Hitler is being used *Hitler's Last Victims* Herbert R. Vogt Ph.D, Peace at Daggers Drawn Peter David Orr,2005-05 This work constitutes an original piece of research and writing dedicated to relating the diplomatic initiatives both official and unofficial public and secret that were intended to end or stop the spread of the Second World War in Europe Special attention is given to specific peace proposals initiatives and back channel diplomatic maneuverings all within the general context of the foreign policies of the principal parties concerned Diplomatic efforts designed to bring about an end to hostilities by belligerent and non belligerent nations are included Geographically this work is confined to the European theater of operations The chronological focus of this volume is on the earliest stages of the conflict specifically from September 1 1939 to September 1940 It is the intent of the author to expand the time period covered by way of future additions Nikki and the Drugs Queen Murder Terrance Dicks,2002 When Nikki persuades her parents to let her help them in their detective agency she has to go undercover to help a runaway girl who has become involved in drugs and crime

The Case of the Dead Diplomat Basil Thomson,2016-04-04 He flung open a drawer and took from it a heavy dagger in a sheath with blood stains upon it On the blade were engraved the words Blut und Ehre Frank Everett was a rising young press attach at the British Embassy in Paris until he was found dead in his Rue St Georges apartment a knife wound to the throat Was it a political assassination a crime passionnel or possibly even suicide The foreign office call in the redoubtable Detective Inspector Richardson who travels to Paris and must work with the French police in solving the case He soon discovers that a mysterious coded number is one of the primary clues if only he can decipher its meaning and unmask Everett s assassin The Case of the Dead Diplomat was originally published in 1935 This new edition the first in many decades features an introduction by crime novelist Martin Edwards author of acclaimed genre history The Golden Age of Murder Good entertainment as well as a perfectly sound detective story Daily Telegraph The story is remarkably well written highly entertaining reading Birmingham Gazette *Daggers, Bayonets & Fighting Knives of Hitler's Germany* John R. Terror HUGO Wolfgang HOLZMANN,2008-05-28 There is no available information at this time **My Memories of Berlin** Herbert R. Vogt,2008-02-08 A vivid description of the authors first seventeen years of life encompassing Hitlers twelve year regime His Hitler Youth experience is typical for the average German boy of that time His personal endurances are blended in with reports from the battlefield and the home front Some of the Hitler Youth were chosen to be indoctrinated in the regimes elite schools and lived a privileged life of state sponsored higher education As war brings more hardships and the nation finds itself defeated and exposed to Soviet barbarism the Hitler Youth force keeps on fighting with tenacious fanaticism to self destruction Those of them that survived the war felt utterly betrayed and disillusioned Their fallen

comrades being Hitlers Last Victims **Nazi Germany and World War II** Charles River Editors,2025-05-01 Munich is widely reviled today and is held up as the epitome of appeasement but historians still debate its effects on the Second World War as well as Neville Chamberlain s character and motivations Some believe the attempted appeasement of Nazi Germany hastened or even caused the mayhem occupying the next seven years Others believe that the pact merely failed to alter war s inevitable arrival in either direction Historians and authors alternately interpret Chamberlain as a bumbling arrogant fool a strong willed statesman who simply miscalculated the nature of Hitler and Nazi Germany or even a man with dictatorial ambitions surreptitiously inserting himself into the Fuhrer s orbit and prevented from further damaging democracy only by his fall and death from bowel cancer Another possible interpretation with considerable documentary support asserts Chamberlain wished to enlist Germany s aid against the state most Europeans perceived as the true threat of the era the Soviet Union Europe s attempts to appease him most notably at Munich in 1938 failed as Nazi Germany swallowed up Austria and Czechoslovakia by 1939 Italy was on the march as well invading Albania in April of 1939 The straw that broke the camel s back however was Germany s invasion of Poland on September 1 of that year Two days later France and Great Britain declared war on Germany and World War II had begun in earnest Of course as most people now know the invasion of Poland was merely the preface to the Nazi blitzkrieg of most of Western Europe which would include Denmark Belgium and France by the summer of 1940 The resistance put up by these countries is often portrayed as weak and the narrative is that the British stood alone in 1940 against the Nazi onslaught defending the British Isles during the Battle of Britain and preventing a potential German invasion At the beginning of 1941 it was unclear whether the Allies would be able to remain in the war for much longer British Prime Minister Winston Churchill had already immortalized the men of the Royal Air Force with one of the West s most famous war time quotes but the potential of a German invasion of Britain still loomed With the comfort of hindsight historians now suggest that the picture was actually more complex than that but the Battle of Britain fought throughout the summer and early autumn of 1940 was unquestionably epic in scope The largest air campaign in history at the time the vaunted Nazi Luftwaffe sought to smash the Royal Air Force but thankfully the RAF stood toe to toe with the Luftwaffe and ensured Hitler s planned invasion was permanently put on hold The Allied victory in the Battle of Britain inflicted a psychological and physical defeat on the Luftwaffe and Nazi regime at large and as the last standing bastion of democracy in Europe Britain would provide the foothold for the June 1944 invasion of Europe that liberated the continent For those reasons alone the Battle of Britain was one of the decisive turning points of history s deadliest conflict **The Nazi Seizure of Power** William Sheridan Allen,2018-12-02 William Sheridan Allen s research provides an intimate comprehensive study of the mechanics of revolution and an analysis of the Nazi Party s subversion of democracy Beginning at the end of the Weimar Republic Allen examines the entire period of the Nazi Revolution within a single locality Tackling one of the 20th century s greatest dilemmas Allen demonstrates how this dictatorship subtly surmounted democracy and how the Nazi

seizure of power encroached from below Relying upon legal records and interviews with primary sources Allen dissects Northeim Germany with microscopic precision to depict the transformation of a sleepy town to a Nazi stronghold In this cogent analysis Allen argues that Hitler rose to power primarily through democratic tactics that incited localized support rather than through violent means Allen s detailed analysis has indisputably become a classic Revised on the basis of newly discovered Nazi documents *The Nazi Seizure of Power The Experience of a Single German Town 1922-1945* continues to significantly contribute to the understanding of this prominent political and moral dispute of the 1900s *Nazi Eugenics* Melvyn Conroy,2017-09-19 Conceived as the answer to all of mankind s seemingly insoluble health and social problems and promoted as a substitute for orthodox religious beliefs the pseudoscience of eugenics recruited disciples in many countries during the latter years of the nineteenth and early years of the twentieth centuries Nowhere was this doctrine more enthusiastically endorsed than in Germany where the application of eugenic theory received its most fervent support A program born of what were often contradictory opinions began under Nazi rule with the compulsory sterilization of thousands of Germany s citizens before morphing into the mass murder of the most vulnerable of the state s own population under the guise of so called euthanasia before ultimately escalating into a continent wide policy of extermination of those who did not fit the Nazi eugenic template The progress of this inexorable descent into barbarity was marked by successive stages of development From the practical application of euthanasia through the organization dedicated to it later on called Aktion T4 and the killing centers that this institution spawned to the centrality of Aktion T4 to Aktion Reinhardt and the Holocaust important elements of the historical record can be seen to emerge How did it happen What impact has it had on contemporary society And what of the character and fate of the individuals involved in the gestation and implementation of this murderously inhumane quasi religion These deceptively simple questions require complex and often disturbing answers as shown by Melvyn Conroy in this important work [Idzelevicius-Idzelis Family History 1800 - 1948](#) Augustinas Idzelis,2018-05-06 Idzelevicius Idzelis family history written thru the eyes of Augustinas Idzelis with a view into historical events **Dragonslayer** Jay Lockenour,2021-04-15 In this fascinating biography of the infamous ideologue Erich Ludendorff Jay Lockenour complicates the classic depiction of this German World War I hero Erich Ludendorff created for himself a persona that secured his place as one of the most prominent and despicable Germans of the twentieth century With boundless energy and an obsession with detail Ludendorff ascended to power and solidified a stable public position among Germany s most influential Between 1914 and his death in 1937 he was a war hero a dictator a right wing activist a failed putschist a presidential candidate a publisher and a would be prophet He guided Germany s effort in the Great War between 1916 and 1918 and importantly set the tone for a politics of victimhood and revenge in the postwar era *Dragonslayer* explores Ludendorff s life after 1918 arguing that the strange or unhinged personal traits most historians attribute to mental collapse were in fact integral to Ludendorff s political strategy Lockenour asserts that Ludendorff patterned himself

sometimes consciously and sometimes unconsciously on the dragonslayer of Germanic mythology Siegfried hero of the epic poem The Niebelungenlied and much admired by German nationalists The symbolic power of this myth allowed Ludendorff to embody many Germans fantasies of revenge after their defeat in 1918 keeping him relevant to political discourse despite his failure to hold high office or cultivate a mass following after World War I Lockenour reveals the influence that Ludendorff's postwar career had on Germany's political culture and radical right during this tumultuous era Dragonslayer is a tale as fabulist as fiction Munsey's Magazine ,1901 Munsey's Magazine for ... ,1901 *Children's Book Review Index* Gary C. Dreamers Refuse to Be Victims Milan "Lou" Voticky,2019-03-25 Upheaval Flight Terror Insecurity Milan Voticky and his family faced all of this when the Nazi occupation of Czechoslovakia in 1939 forced them to escape to Shanghai Liberated from the Shanghai ghetto in 1945 the Voticky family made their way back to Prague only to find themselves fleeing Czechoslovakia once again this time from the Communists When they finally found permanent refuge as in Canada Milan swore that would refuse to see himself as a victim He would seize every possible opportunity In this he finds common cause with the Dreamers the 1 800 000 undocumented children of illegal immigrants in the USA who are covered by DACA As a two time refugee from oppression and death Voticky writes I can understand the Dreamers fear of being sent to a country and culture that they don't know or understand where the language is one they do not speak where they have no family or friends In addition to being the remarkable story of a remarkable man Dreamers Refuse to Be Victims is a call to all those fleeing injustice to take charge of their own futures **Among the Firsts: Lieutenant Colonel Gerhard L. Bolland's**

Unconventional War Matthew T. Bolland,2022-05-19 In his own words the war of the doubly pioneering Lt Col Gerhard L Bolland 82nd Airborne paratrooper on D Day and senior OSS field operative on Operation Rype Unconventional warfare tactics can have a considerable effect on the outcome of any war During World War II the United States government developed and employed two new methods of fighting The first was the development of paratroop units as they were first called The second was the formation of a covert and sabotage operations branch called the Office of Strategic Services OSS Lt Colonel Bolland was involved in both of these firsts During the D Day invasion he parachuted behind enemy lines jumping out of the 82nd Airborne lead aircraft with General James Gavin After fighting with the 507th Parachute Infantry Regiment for thirty three days straight he returned to England and became involved with the OSS Scandinavian Section He served as Field Commander for their Operation code named Rype This was the only American military undertaking albeit covert in Norway during the entire course of the war As a young boy growing up in rural western Minnesota Bolland got his military start with the Minnesota National Guard before being accepted to West Point solely on merit His military career lasted seventeen years Lt Colonel Bolland ended up with numerous decorations including the Norwegian Liberation Medal and Citation the Bronze Star for valor the French Fouragere of Croix de Guerre with Palms and posthumously the Congressional

Gold medal awarded to the OSS Society on behalf of all former OSS members that served during the war His story reveals the struggles successes failures and ultimate victories detailing what went right and what went wrong with these new unconventional methods of fighting *Discourse and Defiance under Nazi Occupation* Cheryl R. Jorgensen-Earp, 2013-11-01

Captured by German forces shortly after Dunkirk and not relinquished until May of 1945 nearly a year after the Normandy invasion the British Channel Islands Guernsey Jersey Alderney Sark and Herm were characterized during their occupation by severe deprivation and powerlessness The Islanders with few resources to stage an armed resistance constructed a rhetorical resistance based upon the manipulation of discourse construction of new symbols and defiance of German restrictions on information Though much of modern history has focused on the possibility that Islanders may have collaborated with the Germans this eye opening history turns to secret war diaries kept in Guernsey A close reading of these private accounts written at great risk to the diarists allows those who actually experienced the Occupation to reclaim their voice and reveals new understandings of Island resistance What emerges is a stirring account of the unquenchable spirit and deft improvisation of otherwise ordinary people in extraordinary circumstances Under the most dangerous of conditions Guernsey civilians used imaginative methods in reacting to their position as a subjugated population devising a covert resistance of nuance and sustainability Violence this book and the people of Guernsey demonstrate is not at all the only means with which to confront evil
