Henry Memorial Award Stories* and *The Best American Short Stories* collections Still's short stories while often overshadowed in recent years by his novels and poetry are among his most enduring literary works Editor Ted Olson's introduction offers a reassessment of Still's short fiction within the contexts of the author's body of work and within Appalachian and American literature Compiling all of James Still's compelling and varied short stories in one volume *The Hills Remember* is a testament to a master writer

Parnassus on the Mississippi Thomas W. Cutrer, 1984-06-01 *Parnassus on the Mississippi* is a history of the short lived yet remarkable productive epoch when in the words of C. Vann Woodward the center of the avant garde of American literary criticism shifted temporarily to the banks of the Mississippi at Baton Rouge Beginning with the establishment of the *Southern Review* at Louisiana State University in 1935 Baton Rouge became the home not only to a brand of criticism that would reshape the teaching of literature in America but also to a community of scholars and artists that included Cleanth Brooks Robert Penn Warren Katherine Anne Porter Robert Lowell Jean Stafford and Peter Taylor Thomas Cutrer chronicles how the *Southern Review* created in the midst of the Depression by the largess of Louisiana governor Huey P. Long quickly rose to the position of the finest American literary journal of its day Under the joint editorship of Cleanth Brooks and Robert Penn Warren the journal published criticism poetry and short fiction by writers as eminent as R. P. Blackmur Kenneth Burke T. S. Eliot and Wallace Stevens The editors also encouraged and published works by such young talented and at the time unknown writers as Nelson Algren Randall Jarrell Mary McCarthy and Eudora Welty During these same years Brooks and Warren collaborated on three textbooks *An Approach to Literature* *Understanding Poetry* and *Understanding Fiction* which

would revolutionize college English by emphasizing the study of a literary work itself in concrete and precise terms over the study of the biographical historical and moral issues surrounding it Brooks also wrote his influential critical works *Modern Poetry and Tradition* and *The Well Wrought Urn* while Warren wrote two novels and some of his finest poems and stories and absorbed material from the political tumult around him for the work that would later become *All the King's Men* The stature of the *Southern Review* and the vitality of the literary community that it spawned were both to a great extent born of the dedication and creativity of Books and Warren but in other very tangible ways they were also by products of the ambition of Huey Long ironically it was the actions of one of the assassinated governor's loyalists that brought an end to Baton Rouge's time as a Parnassus After a financial scandal rocked the university a reform administration was appointed which in its zeal to curb a runaway budget stopped the funding for the review Soon after Brooks and Warren both left the faculty The *Southern Review* itself would lie dormant until its revival two decades later

The Two Worlds of William March Roy S. Simmonds, 2011-04-30 Described by Jos Garcia Villa as America's greatest short story writer by Alistair Cooke as the unrecognized genius of our time and by his biographer as one of the most remarkable talented and shamefully neglected writers that America has produced William March 1893-1954 is remembered if at all for *The Bad Seed* which March ironically regarded as his worst work The emphasis in *The Two Worlds of William March* is on the literary career and we get a fairly full picture of a hardworking oversensitive compassionate bachelor who suffered a tragic breakdown late in life and whose best long works *Company K* and *The Looking Glass* as well as March himself are almost forgotten Simmonds's comprehensive scholarly and sympathetic study may redress this unwarranted neglect CHOICE

Where the Light Falls: Selected Stories of Nancy Hale Nancy Hale, 2019-09-24 Rediscover the masterful stories of a midcentury artist whose multifaceted portraits of women were generations ahead of her time A stunning crystalline collection *Vogue* Nancy Hale was considered one of the preeminent short story artists of her era a prolific writer whose long association with *The New Yorker* rivaled that of her contemporary John Cheever But few readers today will recognize her name Acclaimed author Lauren Groff has selected twenty-five of Hale's best stories presented here in the first career-spanning edition of this astonishingly gifted writer's work These stories seem ahead of their time in their depiction of women complicated characters sometimes fragile possibly wicked often remarkable in their apparent ordinariness from an adolescent girl in Connecticut driven into delirium over her burgeoning sexuality in *Midsummer* to a twenty-something *New Yorker* experiencing culture shock during a visit to a friend's house in Virginia in *That Woman* to a New England widow in search of alcohol while babysitting her grandson in *Flotsam* Other stories touch on memories of childhood the intense trauma of electroshock therapy and the spectre of white supremacy Haunting vivid and subversive in the best sense *Where the Light Falls* is nothing less than a major literary rediscovery
