Reinking,2007 **English Language-Mediated Settings and Educational Inequalities** Prashneel Ravisan Goundar,2025-03-17 In this book Goundar explores how educational inequalities are responsible for the way students perform in English language mediated school settings He seeks to establish

an explicit connection between language testing and educational inequalities at the higher education level With its focus on higher education this research is a fresh reminder of the need to continuously revisit and unsettle inequalities that are embedded in education systems In the South Pacific context this study reveals the current issues including medium of instruction challenges lack of teaching and learning resources teacher shortages and language barriers Goundar s research seeks new answers to the problem of academic English language skills faced by undergraduate students Since English is a second language for the majority of students in Fiji and as the quality of education varies between urban and rural schools this cumulatively impacts students acquisition of English skills and consequently their university performance The important questions posed and addressed in this book are as follows What are the language implications of colonisation on education in the South Pacific What resources and learning opportunities are provided in schools to promote equal access to education content for students from non English speaking backgrounds How do students from different schooling backgrounds in Fiji cope with an English language mediated university learning environment Do educational inequalities manifest in the performance of students from all schooling backgrounds or are they confined to specific sociocultural zones Drawing on a unique dataset from a context in the Global South this book provides new insights for a more holistic approach to examining academic language proficiency and the use of language testing English Language mediated Settings and Educational Inequalities Language Education Policy Agendas in the South Pacific is suitable for postgraduate students in language policy and planning multilingual language policies for schools medium of instruction studies and language testing and South Pacific studies **Marvelous English Essays** Prof. Avtar S. Virdi,2013-07-10 Marvelous English Essays original year of copyright 2012 The hardest part of understanding either mother tongue or a foreign language is to express our opinions in that language We need clear ideas and the most appropriate words for an impressive piece of writing As a teacher Prof Virdi found several students very dissatisfied with essay material available to them either in books or on internet He wrote several essays to help them pass their exams and they showed marvelous results Mr Virdi has delved very very deep into English for a long time before bringing out this book These essays are so touching and convincing that readers cannot help feeling satiation Prof Virdi is highly educated well read and so confident about the standard of the contents in his book that he has put 10 000 on stake to show and prove any other book better than this one He is sure that after going through this book readers will have hundreds of fresh ideas and will be compelled to feel East or West Prof Avtar S virdi is the best Just try this For any sort of feedback please call the author 1 604 725 3340 or email andyavtar1 yahoo co uk **Redefining Tandem Language and Culture Learning in Higher Education** Claire Tardieu,Céline Horgues,2019-08-21 This book provides a comprehensive critical account of tandem learning charting it evolution from its origins in European educational settings to modern programs offering new perspectives on the approach s role within higher education Taking stock of the ways in which increased globalization has produced new linguistic and sociocultural realities the volume begins by looking back at

the development of tandem learning over the last several decades growing out of a need to create more opportunities for L2 learners to communicate in their target language The book then examines the different learning objectives and learning outcomes of tandem learning arrangements moving toward a discussion of tandem learning s potential role in shaping language policy and the unique challenges involved in implementing tandem programs at higher education institutions The final section of the book brings the previous discussions together to consider new tools and technology and the ways in which they can better equip language educators to implement tandem learning in their own practice Highlighting tandem learning s potential to promote multilingual and multicultural learning on a global scale this volume will be of particular interest to students and researchers in intercultural communication language education multilingualism and applied linguistics
