

### Differentiated Teaching

- (Varying instructional strategies to best teach diverse groups of learners)
- Vary the content: what the student needs to learn
  - Vary the process: activities in which the student learns the content
  - Vary the products: options for students to demonstrate their learning
  - Vary the learning environment: way the classroom works/feels

### Adapting Assessment Strategies

- Assessments should be guided by IEP goals
- Assessments should be guided by individual strengths and needs
- Using rubrics to adapt assessments

### Teaching Social Development

- Social acceptance is critical to inclusion - relates directly to exceptional students' ability to take part in the social and academic life of the classroom
- Teaching practices include collaborative and social approaches to learning
- Planned and structured activities to promote social inclusion and friendship development

# INCLUSIVE TEACHING PRACTICES

### Teaching Use of Assistive Technology

- Enhances student independence (all students - those with exceptionalities, as well as those without exceptionalities)
- Assistive technologies can serve as 'equity tools' to provide access for those with special needs

### Teaching of Independent Learning

- Teaching strategies such as becoming an independent learner, negotiating transitions, using computers/assistive devices
- Encouraging interpersonal development

### Collaboration

- Working with other professionals provides you with a support network and enables you to draw upon resources and expertise of many individuals
- Collaboration and communication with parents is an effective teaching strategy to ensure consistent student learning and working towards common goals

### Ongoing Professional Development

- Enhancing own teaching strategies including differentiated instruction, working collaboratively, using positive support strategies, and fostering positive and co-operative social relationships
- Continual learning as an educator means we can provide the best possible learner opportunities for our students!

### Teaching using a Variety of Materials

- Addresses multiple senses and learning styles individually, or in combination
- Examples:  
text, pictures, graphs, mapping and images, sounds, voices, manipulatives, etc.

### Instructionally Appropriate Programs and Learning Environments

- The classroom environment and other educational settings should be designed to address the instruction for all students, as well as the accommodations, modifications to materials, strategies, and equipment
- Adaptations made to strategies and interventions to meet the needs of students, acknowledging that each student differs in interest, learning profile and level of functioning
