Illustrated Catalogue of Books ... 1903-1904 ... A.C. McClurg & Co,1903 **The World in Paint** David Peters Corbett,2004 This anonymous manuscript play has long been the subject of scholarly dispute regarding its relationship with Shakespeare s Richard II This edition which thoroughly re examines the text situates the play within its historical and political context relating it to the genre of chronicle drama to which it belongs The manuscript is of particular interest in that it appears to have been used in the playhouse over a considerable period of time and contains what seems to be evidence of the theatre practice of the time The play is also of special interest for its skilful and original handling of source material which may well have influenced Shakespeare s Richard II The extensive appendices drawn from Holinshed Grafton and Stow provide the reader with the opportunity to investigate the manner in which the dramatist has shaped the material The editors argue for the play s stage worthiness and dramatic complexity suggesting that its range both of dramatic tone and social inclusiveness indicate the work of a dramatist of considerable skill and subtlety equal or superior to the Shakespeare of the Henry VI plays **The British Pre-Raphaelite Illustrators** Gregory R. Suriano,2005 This completely revised and enlarged edition of the author s *The Pre Raphaelite Illustrators* The British Library 2000 includes 75 rare illustrations amongst the 525 illustrations which have been enlarged and rescanned for improved quality Other additional material includes revisions to the main text and a new preface **Illustrated Catalogue of Books, Standard and Holiday** McClurg, Firm, Booksellers, Chicago,1903 *Catalogue of Standard and Holiday Books* A.C. McClurg & Co,1903 **The Studio** ,1901 **The Bookseller** ,1888 **Bookseller** ,1887 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series **Edith Wharton and the Visual Arts** Emily J. Orlando,2007 This work explores Edith Wharton s career long concern with a 19th century visual culture that limited female artistic agency and expression Wharton repeatedly invoked the visual arts as a medium for revealing the ways that women s bodies have been represented as passive sexualized infantilized sickly dead Well versed in the Italian masters Wharton made special use of the art of the Pre Raphaelite Brotherhood particularly its penchant for producing not portraits of individual women but instead icons onto whose bodies male desire is superimposed **The Economist** ,1857 **Publishers' circular and booksellers' record** ,1887 **The Publishers' Circular and General Record of British and Foreign Literature** ,1887 **The Art Interchange** ,1895 *The Dial* ,1905 **Palmer's Index to "The Times" Newspaper** ,1901 *The Independent* ,1902 *Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1894 **The Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1893 *Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record* ,1898 **Bulletin of the New York Public Library** New York Public Library,1917 Includes its Report 1896 19
