Presence-Crystal Cathedral Bruce Larson,1992-06 **Losing Our Religion** Christel Manning,2015-11-20 The fastest growing religion in America is none Among adults under 30 those poised to be the parents of the next generation fully one third are religiously unaffiliated Yet these Nones especially parents still face prejudice in a culture where religion is widely seen as good for your kids What do Nones believe and how do they negotiate tensions with those convinced that they ought to provide their children with a religious upbringing Publisher description **The Edifice Complex** Deyan

Sudjic,2006-11-28 A provocative look at architecture exceptionally intelligent and original Jonathan Yardley The Washington Post Book World Deyan Sudjic probably the most influential figure in architecture you ve never heard of argues that architecture far from being auteur art must be understood as a naked expression of power From the grandiose projects of Stalin and Hitler to the theme park excess of today s presidential libraries Sudjic goes behind the scenes of history s great manipulators of building propaganda and exposes Rem Koolhaas Frank Gehry and other architects in a disturbing new light This controversial book is essential reading for all those interested in the power of architecture or the architecture of power A Washington Post Book World Best Book of the Year [Orange Coast Magazine](#) ,1999-02 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region bringing together Orange County s most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County s only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county s luxe lifestyle

The Church Must Grow or Perish Mark T. Mulder,Gerardo Marti,2025-04-01 To fully understand American Christianity it s essential to understand Robert Schuller The Church Must Grow or Perish Robert H Schuller and the Business of American Christianity examines Schuller s indelible imprint on the American church and how he developed a model of ministry both lauded and critiqued that transformed Christian life and community across this country Schuller s story is the starting point for powerful trends that continue to shape much of American religion today televangelism seeker sensitive outreach megachurches the suburbanization of white Christianity pastoral entrepreneurship and market oriented Christianity in pursuit of growth Authors Mark T Mulder and Gerardo Mart explore Schuller s drive to develop a theology a persona and a set of practices that he believed were necessary to keep Christianity vibrant long into the future They trace Schuller s career arc from his beginnings as an Iowa farm boy to his years as a charismatic Southern California preacher one who believed that in order for the church to thrive pastoral leaders needed to borrow from the best practices of big business including the entertainment industry This fascinating biography is essential reading for those who want to fully understand a transformative force in American Christianity *Medievalism in American Culture* State University of New York at

Binghamton. Center for Medieval and Early Renaissance Studies. Conference, 1989 Architecture INTL Nancy Solomon, 2008-05-27 On the occasion of its 150th anniversary the American Institute of Architects asked more than 70 contributors to examine the complex and evolving of the America s architects in shaping our cities and communities Through essays vignettes and profiles illustrated with more than 560 photographs Architecture provides a look at the breath and depth of the architecture profession and points to the significant contributions architects have made in all aspects of society Most important the book demonstrates the value of applying architectural thinking to the many serious issues from global warming and homeland security to accessibility and diversity facing our world today BOOK JACKET The Mouse and the Myth Dorene Koehler, 2017-04-24 Upholds a Disney vacation as a religious experience offers insightful arguments relating to the nature of play as well as Nietzschean philosophy Reading Religion Rituals mark significant moments in our lives perhaps none more significant than moments of lightheartedness joy and play Rituals of play are among the most sacred of any of the rites in which humanity may engage Although we may fail to recognize them they are always present in culture providing a kind of psychological release for their participants child and adult alike Disneyland is an example of the kind of container necessary for the construction of rituals of play This work explores the original Disney theme park in Anaheim as a temple cult It challenges the disciplines of mythological studies religious studies film studies and depth psychology to broaden traditional definitions of the kind of cultural apparatus that constitute temple culture and ritual It does so by suggesting that Hollywood s entertainment industry has developed a platform for mythic ritual After setting the ritualized stage this book turns to the practices in Disneyland proper analyzing the patron s traditions within the framework of the park and beyond It explores Disneyland s spectacles through selected shows and parades and concludes with an exploration of the park s participation in ritual renewal There is much to commend in Koehler s study Surely her work should encourage others to examine myth construction and sacred secular rituals in popular culture H Celebration *An Architecture of Immanence* Mark A. Torgerson, 2007-01-22 Torgerson begins by discussing God s transcendence and immanence and showing how church architecture has traditionally interpreted these key concepts He then traces the theological roots of immanence s priority from liberal theology and liturgical innovation to modern architecture Next Torgerson illustrates this new architecture of immanence through particular practitioners focusing especially on the work of theologically savvy architect Edward Anders S vik Finally he addresses the future of church architecture as congregations are buffeted by the twin forces of liturgical change and postmodernism **Leaning into God When Life Is Pushing You Away** Robert Anthony Schuller, 2009-11-12 Robert A Schuller explores the various ways individuals lose or experience interference with their connection to God He explains that emotions such as shame regret fear and disappointment can stand in the way of the intimate association God wants with His children The good news is that when His people are struggling God stays close There are many ways to reestablish a dynamic connection with Him Schuller calls these Connection Corrections and leads

readers through identifying communication barriers and how to break them Each chapter delves into the reasons readers fail to connect with God how to begin repairing the broken wires and the life altering benefits of restoring a positive power filled relationship with Him Readers who feel adrift from God will no find that no barrier is too big to keep them from a close loving relationship with Him

Los Protestantes Juan Francisco Martínez Jr.,2011-10-20 Contradicting the widely held but false belief that all Latinos are Catholic this book offers a concise one volume introduction to America s Latino Protestants the fastest growing segment of U S Protestantism today Los Protestantes An Introduction to Latino Protestantism in the United States the first to provide a broad introduction to this rapidly growing population At its core is an exploration of the group s demographics denominational tendencies and potential for continued growth Current information is supported by a survey of the history of Latino Protestants in the United States which dates back to the efforts of missionaries in the mid 19th century Los Protestantes brings together data from formerly disparate studies of various aspects of the community to create an insightful overview The work presents brief descriptions of principal denominations and organizations among Latino Protestants It notes marked differences that separate Latino Protestants from other U S Protestants and it examines an evolving Protestant Latino ethno religious identity Readers will come away from this study more clearly understanding the current state of Latino Protestantism in the United States as well as where Latino Protestants fit in the overall picture of U S religion

3,300 Miles for Christ Nick Della Valle,2004-04 Have you every thought of quitting your job selling your possessions and exploring America Have you in a quiet moment asked God to use you but then stumbled as you could not nderstand what He wanted you to do What would it be like if you heard from Him Nick and Lucy Della Valle left their positions at the Crystal Cathedral sold their belongings and began a faith odyssey A diminutive man Nick dressed as the biblical character Zacchaeus and walked 100 miles for every year Jesus walked the earth This account 3 300 miles for Christ is a series of vignettes that lets the reader look over the shoulders of the author as he encounters America its people and his God Feel the excitement sense the fear experience the faith and share the laughter It encourages people to listen to God s voice in their lives and then act on it Back of book

The Point of Existence A. H. Almaas,2000-09-05 The founder of the Diamond Approach to Self Realization examines narcissism through a spiritual lens presenting it as our greatest barrier to understanding our truest self In this book the author explores the underlying spiritual understanding of narcissism He presents a detailed map of the steps involved in working through barriers that prevent us from recognizing the most essential nature of our true identity Almaas is one of the most significant voices for a new and remarkably integrated spiritual vision His work connects the personal the universal the psychological and the spiritual not as pieces put together but as the inseparable mandala of the sacred that we are I respect his work to the highest degree and commend it to anyone interested in living the life of the spirit Jack Kornfield Ph D author of *After the Ecstasy the Laundry* *Turning Hurts Into Halos* Robert H. Schuller,2000-05-07 This is Robert Schuller like you ve never heard before Though it echoes the extraordinary

insightfulness and encouragement you have come to count on from Dr Schuller never before has he written a book so personal so moving This book is about adversity tragedy despair But it s also about hope joy and eternal victory in Jesus For the first time he discusses many of the difficult events of his life He provides positive examples to show readers how he got through them and how they can emerge victoriously also Crystal Companions Marion Webb-De Sisto,2008-10-01 An innovative look at how crystals and crystal skulls are being incorporated into various modern day metaphysical pursuits by the author and other practitioners in order to improve their performance The effect crystalline energy has on therapies spiritual pursuits and divination techniques is highlighted in this book together with brief outlines on the histories of these various practices Such disciplines as Past Life Regression Reiki Yoga Shamanism and Crystal Therapy are documented and discussed in detail Divination strategies of the Tarot the Runes Scrying and Dowsing are also combined with the properties of the mineral kingdom and the resulting outcomes are explored In addition helpful exercises recommendations and crystal know how are included for both the professional and the novice The author is a qualified Crystal Healing practitioner and her examination of various crystal enhanced procedures is a valuable handbook for anyone interested in discovering the powerful crystalline world and its impact on healing spirituality and divination **Old Man Country** Thomas R. Cole,2020 We live in a time of change an era where old men can maintain health but find dignity in frailty Old Man Country helps readers see and imagine this change for themselves The book follows the journey of a writer in search of wisdom as he narrates encounters with twelve distinguished American men over 80 including Paul Volcker the former head of the Federal Reserve and Denton Cooley the world s most famous heart surgeon In these and other intimate conversations the book explores and honors the particular way that each man faces the challenges of living a good old age **Mass Media Christianity** Jerry D. Cardwell,1984-10-31 **The Realm of Beyond** Venna Jackson,2002-12 This is a charming tale of fantasy enchantment and adventure Global Gothic Barbara Borngässer,Bruno Klein,2022-02-17 Gothic style and contemporary architecture worldwide Although largely overlooked in studies of architectural history church architecture in a Gothic idiom outlived its 19th century momentum to persist worldwide throughout the 20th century and into the new millennium Global Gothic presents a first systematic worldwide understanding of Gothic in contemporary architecture both as a distinct variation and as a competitor to recognized modern styles The book s chapters critically discuss Gothic s various manifestations over the past century describing and illustrating approaches from Gothic Revival living traditions in the former British Empire and original Gothic appropriation in Latin America to competitions of European builders in former Asian and African colonies The focus is also on the special appropriations in North America China and Japan as well as contemporary solutions that tend to be transnational in style With contributions from renowned architecture experts from around the world Global Gothic provides an overview of this cultural phenomenon and presents a wealth of stunning material much of it little known Richly illustrated in full color it offers an important contribution to colonial and postcolonial global art history and a seldom

acknowledged perspective on art history in general Contributors Barbara Borngesser Technische Universität Dresden Marten M. Checa Artasú Metropolitan Autonomous University Mexico City Thomas Coomans KU Leuven Pedro Guedes University of Queensland Bruno Klein Technische Universität Dresden Bettina Marten Technische Universität Dresden Olimpia Niglio Hosei University Tokyo Peter Scriver University of Adelaide Amit Srivastava University of Adelaide This publication is GPRC labeled Guaranteed Peer Reviewed Content **Champions...Plus** Gary Devaul, Mark Thallander, 2013-02 A summer thunderstorm pursued Mark Thallander as he drove from Massachusetts to Maine after playing the organ for a morning church service in Worcester Dinner awaited him but Mark never arrived The car hydroplaned at the exit from the turnpike just minutes from his destination A deafening silence followed the explosion of the accident Then an unseen woman's voice spoke to Mark Turn off the engine Keep talking Later in a hospital forty miles away surgeons had Mark sign an amputation release form as he pleaded with them to save his arm
