stories Some people live them This man did both He charmed Air Force Generals and CEO S of huge companies and just as often invited guys with no teeth to dinner He loved life in spite of an atypical childhood and flew his little Piper Cub with only a watch and a ruler for instruments until he was 83years old He had many incidents flying into major airports got asked to never come back to Sea Tac Airport dropped rocks on our high mountain lakes to see if the ice was solid enough on which to land He had an amazing sense of humor and could turn any situation into a pun or story As you will see **No More Green Chili** Albert Quintana,2011-04-28 Not to brag but I truly believe that my Mother is the best cook in the world Bar none she has a great heart when it comes to making her best cuisine Her specialty is green chili In Spanish it s pronounced chile verde This homemade chili verde could be the main dish eaten at any given meal but add a homemade tortilla and a side of frijoles beans or a side of fried potatoes or maybe mashed it was a meal to die for One of my favorite dishes was smothered bean burritos So anything you added to the green chili was always a feast The process of making the best dish in world comes quite simply by getting a pound of pork butt and cutting it into small one half inch squares Then fry the squares until they are golden brown Using the grease from the fried pork you then brown the flour to make the gravy add your green chili preferably jalapenos diced tomatoes Mexican oregano cominos garlic salt and of course salt and pepper I can t give it all away because then it would be giving away an old family recipe and that would be taboo Making great meals is a learned thing By this I mean that Mom learned to make green chili from a Mexican woman from Guanajuato Mexico back in 1960 This is the year that Mom and Dad started a Mexican restaurant business in Denver The restaurant was called Quintana Roo Whoever ate her chili always would craved for more The neighboring kids would always hang around to see if Mom would roll them a quick burrito and then they would walk away with the biggest smiles In 1927 Great Grandfather Francisco Duran visited Henry Manuelita and the kids prior to Mom s birth He shared with them a story about a humongous garden that was full of green chili Within this garden the chili was thriving growing in abundance Then one day the chili started dying off The garden was over taken with weeds and eventually became nonexistent The metaphor here is that Grandpa Francisco equated the garden to our nation and the people who work as the chili When you take the chili out of the garden then your garden is dead When you take the worker laborer bracero miner gardener lumber jack out of our nation you have nation that is dying Who built the Great pyramids The Panama Canal the Empire State Building Hoover Dam and that Golden Gate Bridge Yes you ve guessed it the Chili Verde of our society Have fun reading this book The stories are real and only reflect a part of your history We all need a little chili verde in our lives so enjoy its flavor May it be hot medium or mild **Just Grace Goes Green** ,2009 Grace can do a lot of things but can she save the planet Or at the very least can she help her best friend Mimi get her favorite stuffed animal back Lots of exciting things are happening to Grace and her friends Most exciting of all Mimi s older cousin Gwen is coming to stay with Mimi and Miss Lois s class is GOING GREEN For their green project Grace and Mimi aim to inspire their friends and classmates to conserve plastic bottles But a far more important issue is that Gwen has

taken a strong liking to Mimi's favorite stuffed toy Willoughby Just Grace uses her empathy superpower to figure out ways to make her best friend feel better and she makes a difference for the environment too Yard sales toy owls decorated plastic water bottles flaming onion rings and a very entrepreneurial Sammy Stringer make this another winning entry in the JUST GRACE series
