

PRESENTING STATISTICS

- ▶ Be strategic with visuals (charts, diagrams, pictures): do not over use them, be selective, make visuals bright, clear and simple, for example:
 - ▶ a single sentence: striking statistic.
 - ▶ a graph or chart showing a trend (dynamic).
 - ▶ an infographic illustrating data with icons or images.
 - ▶ an arresting photo to back up a statistic.

Presenting Statistics A Managers Guide To The Persuasive Use Of Statistics:

Presenting Statistics Lawrence Witzling, 1989-08-09 Here is a guide to presenting statistical information Provides a variety of techniques for presenting complex data analyses and arguments clearly and effectively to decision makers and offers several approaches appropriate for different target audiences Describes the use of statistical descriptions maps and spatial statistics costs and presentation style Basic Methods of Policy Analysis and Planning Carl Patton, David Sawicki, Jennifer Clark, 2015-08-26 Updated in its 3rd edition Basic Methods of Policy Analysis and Planning presents quickly applied methods for analyzing and resolving planning and policy issues at state regional and urban levels Divided into two parts Methods which presents quick methods in nine chapters and is organized around the steps in the policy analysis process and Cases which presents seven policy cases ranging in degree of complexity the text provides readers with the resources they need for effective policy planning and analysis Quantitative and qualitative methods are systematically combined to address policy dilemmas and urban planning problems Readers and analysts utilizing this text gain comprehensive skills and background needed to impact public policy **Quick Answers to Quantitative Problems** G. William Page, Carl V. Patton, 2014-06-28 No matter the field professionals need to respond quickly to quantitative problems as they arise and to develop a quick understanding of what the data mean Whether you are an aide to a city council member trying to decipher the true meaning of a citizen opinion poll a private consultant to the health department estimating the number of pregnant teenagers in a neighborhood or the executive director of a small agency striving to present your budget facts precisely and clearly the techniques presented here are helpful to you and your work Presents relatively simple techniques that can be applied quickly when a complete thorough solution is not possible Provides instructions for the use of each technique and examples with problem solutions *Current Index to Statistics, Applications, Methods and Theory*, 1991 The Current Index to Statistics CIS is a bibliographic index of publications in statistics probability and related fields The Oxford Handbook of Urban Planning Randall Crane, Rachel Weber, 2015 Why plan How and what do we plan Who plans for whom These three questions are then applied across three major topics in planning States Markets and the Provision of Social Goods The Methods and Substance of Planning and Agency Implementation and Decision Making **Fundamentals of Marketing Research** Scott M. Smith, Gerald S. Albaum, 2005 Fundamentals of Marketing Research covers all facets of marketing research including method technique and analysis at all levels The methodological scope regarding research design data collection techniques and measurement is broad with three chapters devoted to the critical area of measurement and scaling The presentation is from primarily a pragmatic and user oriented perspective which aides the student to evaluate the research presented to them This text explores cutting edge technologies and new horizons while ensuring students have a thorough grasp of research fundamentals **Writing for Scholarly Publication** Anne Sigismund Huff, 1999 In this guide to academic writing the author takes the reader step by step through the writing and publication process from choosing a

subject developing content that will engage others to submitting the final manuscript for publication

Presentation Graphics Richard Langendorf, 1995 Planning professionals and educators need to communicate effectively in written work before small informal groups and in large formal meetings Graphic aids improve your ability to communicate ideas clearly and effectively Presentation Graphics will help all planners who make presentations or use computer software to create graphics to support such presentations This report is based on an extensive review of software for creating presentation graphics It addresses the reasons that planners should know about presentation graphics as well as issues such as user interfaces organization and layout aids color choice and typographic control It also shows how to organize manage and design a presentation select font libraries and clip art and manage and compress image files Illustrations are found throughout the book with screens from different programs printed for guidance and comparison Appendices include information for planners with a more technical background
