Burns's The Moth Presents Occasional Magic Everest Media, 2022-06-21T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I was interviewing for a promotion from secretary to daytime casting coordinator at ABC in 1979 I was excited but some felt that I wasn't tough enough to manage a job like that I was humiliated in front of a crowd of strangers by a strange man who harassed me because I was too nice 2 The mime was a wolf in sheep's clothing and he attacked any woman who made the mistake of stepping through the crowd I waited for him to see me and when he did I lifted my can of pepper spray and sprayed him in the face 3 I was walking down the street with my canister when I was attacked by a mime I dropped my canister and a larger mime came and picked it up I turned around and the two of us struggled to get to the canister I got there first and grabbed it 4 I grew up in Israel in the 1980s and my father's

mission in life was to make sure that I grew up to be a real man He took me shooting every Saturday when I was four years old and when I was six or seven years old he took advantage of Israel s surprisingly relaxed car rental insurance policies and rented a car to take me on driving lessons
