**America's Great Gun Game** Earl E. McDowell, 2007 More than 30 000 American deaths are caused each year by firearms and more than 230 000 000 guns exist in the United States today America's Great Gun Game Gun Ownership vs Americans Safety presents two sides of the gun issue the gun control advocates the silent majority and the gun rights supporters the vocal minority Author Earl E. McDowell urges the silent majority to become the vocal majority as he tackles the controversial topics of gun control and concealed carry laws Unlike other volumes on the gun issue America's Great Gun Game challenges the National Rifle Association's interpretation of the Second Amendment by citing the opinions of Supreme Court justices the president of the American Bar Association state and federal legislators and former U.S. presidents McDowell traces attempted presidential assassinations and presents a detailed account of the gun movements from 1922 through 2000 assessing which side won the gun game for each movement Gun Game is unique as it also reports statistics on how guns affect women and children and which women's and children's organizations support gun control America's Great Gun Game presents McDowell's thoroughly researched argument in favor of stopping the proliferation of guns throughout the United States and the increasing need for federal gun control legislation **The Dead President's Club** Peter C.
